

## COTTON GROWERS ELECTED RUBINOW

Outline Work for the Coming Year.

To Secure Options on Cotton for Export Trade This Year.

Asheville Citizen Bureau, 402 Merchants Bank Building.

(By JULE B. WARREN.)  
RALEIGH, Jan. 29.—The executive committee of the North Carolina Cotton Association met in its first session today for the purpose of outlining work for the coming year. S. G. Rubinow, who has been in charge of the campaign work for the association, was elected secretary-treasurer of the organization. Dr. B. W. Kilgore, was elected second vice-president to take the place made vacant by the death of Mr. Frank Shields, of Scotland Neck. Mr. Shields died since his election to this place at the state convention which met here on December 17.

Those present for the meeting today were President L. S. Tomlinson, of Wilson; First Vice President Frank Gaugh, of Lumberton; Dr. B. W. Kilgore, Dr. Clarence Poe, of Raleigh; W. M. Saunders, of Smithfield; W. G. Newby, of Hertford; W. E. Walker, of Polk county; E. L. Mosteller, of Statesville; W. A. Pierce, of Weldon; Waiton K. Bethune, of Lumberton and Carl Turnage, of Farmville.

The committee elected Dan. W. Patrick, of Snowhill and Dr. Clarence Poe, of Raleigh, members of the national board of directors from North Carolina. The state is entitled to three places on this committee, and the other one will be taken by President Tomlinson.

The financial report of the campaign showed approximately \$25,000 in the treasury, in cash and in campaign pledges, which will be collected during the coming year. The committee asked the secretary to proceed with the campaign for new members by concentrating his forces in those counties which have not yet been organized, and in putting workers in those counties which have only the skeleton of an organization.

The board endorsed the proposition of the national president J. S. Wannamaker, to secure options on a certain amount of cotton in the country for the export trade. This plan has been worked out in other southern states, and President Wannamaker believes it will be possible not only to save some of the present short crop by securing options on the cotton for future delivery, but that it will also tend to keep the market steady both for the manufacturers and for the cotton producers. The signing of the peace treaty with Germany will cause big buying orders to come in, it is said.

Budget Commission.  
The Budget Commission of North Carolina, named under the budget act of the last legislature, is holding its first session for the purpose of conferring with the tax commission

about the revenue act and revaluation act as it will work out for the next year's revenues. The commission is composed of the governor, the chairman of the finance and appropriations committee of the house and the same two committees of the senate.

The commission will hold several meetings between now and the next session of the legislature. Its duty is to get a line on the estimated revenues for the coming year, and make out a budget for the various departments. The adoption of this budget will keep these departments within the limit set by the commission for expenditures during the period between sessions of the legislature.

At the conclusion of the meeting of the budget commission it was announced that the governor, who is chairman, would have a statement to make about the work of the commission and its relation to the whole system of revaluation. This statement will be made sometime this week, just as soon as the governor gets it prepared.

The tax commission reported that the supervisors from the ten revaluation districts reported that about thirty per cent of the industrial enterprises of the state had completed filing out their plans and this phase of the work of revaluation was about one-third completed. The returns indicate that there will be just as important increases in the value of the industrial plants of North Carolina as there was in the land values of rural property, a statement that will bring a deal of satisfaction to the farmers who have feared that the farm lands were being assessed for more than their proper value.

**Service Restored.**  
The corporation commission today gave out the following statements to the effect that the express service on trains No. 21 and 22, which was discontinued, would be put back on to handle perishable and rush packages. The statement follows:

"Several days ago the Durham Chamber of Commerce complained to the corporation commission about the discontinuance of local service by the American Railway Express company and Nos. 21 and 22 between Greensboro and Goldsboro. Upon investigation it was found that the express company had placed this service on trains Nos. 198 and 141 in order to lighten Nos. 21 and 22 as to running these trains in two sections.

"Upon the suggestion of the commission the express company now retains the service on Nos. 198 and 141 and establishes additional express service for perishable and rush packages on trains Nos. 21 and 22. It is necessary to limit the express service rendered on trains Nos. 21 and 22 to perishable and rush packages because of the large volume of this class of business on this line."

### DR. A. C. DIXON SPEAKS IN WINSTON CHURCH

George Truitt Converted In Small Church Near Asheville.

(Special to The Citizen.)  
WINSTON-SALEM, Jan. 29.—Speaking at the Home Moravian church, Dr. A. C. Dixon, a native of Cleveland county, a former Asheville pastor, and more recently pastor of the Tabernacle Baptist church in London, told those attending the conference on Christian Fundamentals that he considered himself the spiritual father of the noted Dr. George Truitt, one of the widest known Baptist ministers in the state. Dr. Dixon, told the story of the conversion of a laborer in Asheville while in the home of Deacon Weaver. Dr. Dixon had called at the home to see the deacon and while waiting the laborer came in and also waited to see the deacon. While the two were sitting in the parlor, Dr. Dixon says he asked the laborer if he was a Christian and a negatve answer was received. The two knelt and prayed and the man was converted, became an attendant of Dr. Dixon's church and later an

## ILLINOIS DOCTOR IS NOW PRESCRIBING IT

### Well-Known Physician Says He Has Never Known a Medicine to Produce Results Like Tanlac.

Dr. B. H. Elder, with offices at 419 Shradski Bldg., Peoria, Ill., who has been in active practice for over forty years, says:

"Medical science has never before produced a medicine that brings results like Tanlac. I have been prescribing it some time with remarkable results. Personally I had suffered for years from stomach trouble and rheumatism and had devoted my best thought trying to find relief but to no avail. After eating, gas would form in my stomach and affect my heart, causing poor circulation, cold hands and feet, dizziness, peculiar feelings, terrible headaches and cramps. The rheumatism pained me so I could hardly stand to move my legs or arms.

"I had a patient who had also suffered for years with the same trouble as mine, and although I did all I could for him he got no better. One day, after he had been away for about six months, he came to my office and never in my life had I seen a man look better or seem to feel better than he did. He told me Tanlac was what had brought about the wonderful change. I began trying the medicine at once with the result that a few bottles relieved me entirely of stomach trouble, rheumatism and all my other ailments. Although I am an extra hearty eater nothing ever disagrees with me any more. I have prescribed Tanlac in cases of rheumatism, kidney and bladder disorders and a run down condition with wonderful results, and I feel that I ought to give my experience with Tanlac to the public for the benefit of suffering humanity."

Tanlac is sold in Asheville by all good druggists. Advt.

## CASES OF INFLUENZA IN CATAWBA NOW NUMBER 150

### Mrs. J. T. Johnson Dies In New Orleans, Where She Had Gone for the Winter.

(Special to The Citizen.)  
HICKORY, Jan. 29.—A telegram received here this morning announced the death in New Orleans of Mrs. J. T. Johnson, widow of the late Dr. Johnson, one of Hickory's foremost, and herself one of the most lovable characters in the city. She was about 70 years old. The funeral probably will be held Friday morning from the First Methodist church of which she was a member.

Accompanied by her daughters, Misses Mamie Sue and Effie Johnson, she went to New Orleans to spend the winter in the hope that the change would be beneficial. Mrs. Johnson is also survived by one sister, Mrs. Mack Goodson, and one brother, Dr. Sol Warlick, both of Morganton.

Physicians in Catawba county were urged today to report every case of influenza promptly to the county health officer, Dr. Geo. W. Shipp, whose residence is at Newton. News of an epidemic of influenza at Monbo and Long Island, two mill communities in the eastern part of the county, prompted him to issue an urgent appeal. There are said to be 150 cases of the influenza at these places, most of them of a severe form. Thus far the disease has not recurred to any extent elsewhere in the county. Some smallpox also is reported in different communities.

In order to remove the menace to health and happiness due to the prevalence of influenza, the county evangelists who preached throughout the mountains of Western North Carolina. It was at a service in a little church in a mountain cove, near Asheville, that George Truitt, a small boy, was converted under this laborer-evangelist's preaching.

In this connection Dr. Dixon stated that he loved to read the articles in the Sunday School Times written by Howard A. Banks, but now they had a deeper meaning than ever. A few weeks ago, he said, he was sitting reading one of these articles when at the close he came upon the statement of Mr. Banks regarding his conversion under the preaching of Dr. A. C. Dixon, in Asheville, a number of years ago. Dr. Dixon stated that he knew Banks as a boy but did not remember his conversion.

The foregoing illustrations were used to show how the fruits of a Christian life will be made known years after the seeds have been sown. Hence of the noblest pigsty, city council has placed further restrictions around the hog pens in Hickory. After April 1 no person will be allowed to keep a pig or pigs within 500 feet of any residence other than his own, and in the opinion of local policemen that will about eliminate all the hogs next summer. Will Fox, Jr., a young white man, was bound over in recorder's court today in the sum of \$500 for forging an order on the A. A. Shuford Mill company and collecting \$14.47 from George Craig, a store-keeper. The youth's father raised the bond. In the absence of Recorder Pruitt, who is on the sick list, R. H. Shuford held the reins of justice today.

Billousness  
Permanently relieved without sickening. One pill at night will do the work.

## WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention The Asheville Citizen. Advt.

## Yellow Mustard For Rheumatism

A good hot mustard plaster or poultice is pretty sure to overcome most rheumatic pains and even sciatica and gout but it's a messy affair and generally causes blisters.

Heat is absolutely necessary if you want permanent relief. Begy's Mustard, made of true yellow mustard with other pain relieving ingredients added is just as hot, is cleaner and more effective than the old fashioned poultice or plaster and cannot blister.

Besides rheumatic pains and swellings Begy's Mustard is speedily effective for lumbago, backache, neuritis, pleurisy, bronchitis, sore throat, chest colds and all aches and pains because heat eases pain—30 and 60 cents at druggists or by mail, S. C. Wells & Co., LeRoy, N. Y. Advt.

## Snake Oil

Miller's Anesthetic Oil, Known as Snake Oil  
Will Positive relieve Pain in a Few Minutes.  
Try it right now for Rheumatism, Neuritis, Lumbago, sore, stiff and swollen joints, pain in the head, back and limbs, corns, bunions, etc. After one application pain usually disappears as if by magic.  
A new remedy used internally and externally for Coughs, Colds, Croup, Infants' Sore Throat, Diarrhea and Constipation.  
This Oil is conceded to be the most penetrating remedy known. Its prompt and immediate effect in relieving pain is due to the fact that it penetrates to the affected parts at once. As an illustration, pour ten drops on the thickest piece of sole leather and it will penetrate this substance through and through in three minutes.  
Accept no substitute. This great oil is golden red color only. Manufactured by Herb Juice Medicine Company.

Every bottle guaranteed at the Dr. T. G. Smith Drug Co. Advt.

# Spurr's Cigarettes

Up At The Top—  
And Staying There

There was plenty of room at the top for a cigarette of tip top quality at a rock bottom price. And that's where Spurr comes in.

For men who judge a cigarette by its looks, by its blend, by its taste—well, Spurr was made for them. Money can't buy anything better than:—

Spurr's new blend of choicest Oriental and American tobaccos that brings out to the full that good old tobacco taste.

Spurr's satiny imported paper crimped (not puffed) that makes an easier-drawing, slower-burning cigarette.

Spurr's smart brown and silver packet, three-fold to preserve the delicate Spurr flavor and fragrance.

Spurr's moderate price—20c for 20—helps you and doesn't hurt Spurr quality.

Legally guaranteed by the U.S. Dept. of Justice

20¢ for 20

There's a rich up in the life  
—and Spurr got there.
