TWO REASONS WHY OUR USED CARS ARE IN DEMAND.

Wants

into first class condition, in our own garage, by our own mechanics, before it is placed on our floors and marked "For Sale."

these used cars are sure to New cars, because of the scarcity of steel, are of necessity high, in price, and will remain so for several years.

> Therefore, it is economy to buy and use good second-hand cars at this time. Hundreds of people who buy cars from us are plenty able to buy any model new car they might want, but prudence, thrift and economy teaches them the value in the two reasons above mentioned.
