

By JULE B. WARREN FALEIGH, N. C., Feb. 3. — Declar-ing that Hoover is the one man "en-dowed with the genius and grace to dowed with the genius completion the un-finished window in Aladdin's tower," Governor Thomas Walter Bickett ment here today when he gave out an interview or a statement he made to a representative of the New York Washington that a number of the I

"One thing is reasonably certain, neither the reactionaries in the re-publican party nor the runaways in the democratic party are going to hame the pext President of the Unit-ed States. Barring the President him-self. Mr. Hoover makes a more pow-erful dual appeal to the sanity and to the imagination of the people than any other man. He would seem to be any other man. He would also he be an answer to the prayers of the plous citizen who said Lord, send us a man who can be a progressive without los-ing his head, and a conservative with-one he because his heart general of the railroadrs.

ont hardening his heart. "In the finest sense Hoover is es-sentially a democrat. His record dur-ing the world war and his recent writa convince one that is adequately mprehends the situation that today afronts America and the whole civ-

confronts America and the whole civ-ilized world. "As President, Hoover would wise-ly safeguard the foundations upon which our fathers built this republic, and at the same time would fearlessly meet the new and world wide obli-gations we recognized and assumed when we entered the world war. In Hoover the nation would find a wor-div successor to our present immerthy successor to our present immer-tal chieftain. He is the one man en-dowed with the genius and the grace o carry to a glorious completion the unfinished window in Alladin's tower."
