AND PERSONAL

Of great interest will be the following from Vogue of February fifteenth to their many friends in Asheville. Mr. Vanderbilt and daughter are now spending several weeks at Miami, Fla.

"This gayest of seasons with one debutante dance following another in quick succession reached a merry climax in 'The Blue Bird Campaign for Happiness.' This ball was cleverly managed by a committee headed by Mrs. William K. Vanderbilt, Jr. and preceded the world premiere of 'L'Oiseau Bleu' by Albert Wolff, written around Maeterlinck's familiar and appealing story.

"The Blue Bird Ball" was really a very merry party. There was a noticeable lack of fancy dress costumes, although a great number of smart women wore head-dresses with a touch of blue or a blue tulle scarf, to honor the occasion. Fir trees with soft blue and yellow lights, and a mysterious blue light prevailing throughout the ballroom, made a delightful background for the brilliant-gathering standing while four national anthems were played to welcome Monsieur Maeterlinck.

"An interesting ballet was given by a group of debutantes with Mrs. Monroe Douglas Robinson, premier danseuse, in a costume reminiscent of the Russian ballet. The costumes of the group of 'Roses' were amusing with their huge semi-circular head-dresses.

Miss Cornelia Vanderbilt looked charming as one of the 'Rose Buds.' But she was even more simple and girlish at one of the smart debutante dances, when she appeared in a dancing frock of apricot tissue net cascading tiny ruffles at each side. A string of blue stones was the only adornment for this untrimmed glittering frock.

"Mrs. George Vanderbilt looked very regal and brilliant in an indescribable copper-toned evening gown with pearl jeweled ornaments so lovely in design that they looked like family heirlooms, and trailing a narrow train of emerald green. A vivid gold bandeau closely fitted her head and disappeared in masses of black hair piled high upon her head. But the piece de resistance of this attire was the biggest, whitest, fluffiest fan in the world."

The following announcements have been received in the city:

Mr. and Mrs. W. E. Johnson announces the marriage of their daughter

Mary Alberta to

Mr. Grover Cleveland Varner on Saturday, February the 14th. One thousand nine hundred and twenty Asheville, North Carolina.

WILL ASK CREAMERY CO. TO INCREASE MILK PRICE

Dairymen Seek 60 Cents Per Gallon—Outline of Their Claims.

(Special to The Citizen.)
WINSTON-SALEM, Feb. 17.—It is understood that the committee of dairymen appointed in the mass meeting Saturday at which time the wholesale price of milk was discussed, will present to the Carolina Creamery company, the Asheville owners of the big milk distributing station in this city, a request that they increase the price paid for milk to sixty cents a gallon. Should this be granted it will be a twenty-five or thirty per cent increase over the present wholesale price.

The dairymen state that the basis upon which the sixty-cent price was worked out was what is required to produce a pound of milk. It is said that to produce 100 pounds of milk it takes 54.3 pounds of grain, 54.3 pounds of hay, 139.8 pounds of succulent feed, 3.39 hours of dairy help, 1.25 hours of horse labor for delivery and forty cents worth of pasture. Each farmer can take this scale and compute the cost of milk production in his dairy which will range around \$7.28 a hundred pounds, or approximately sixty cents a gallon.

The local committee has no intimation of how the Asheville company will take the request for an increase. However, they say that if an increase is not forthcoming it will be impossible to continue dairying on a large scale in Forsyth and adjoining counties.

'Q-BAN' WORKS LIKE MAGIC ON GRAY HAIR

A Difference of a Few Days and all Gray Hair Transformed to the Even, Glossy Dark Shade of a Young Girl.

It is now possible to quickly, safely and easily restore gray, faded or white and falling hair to original dark color and lustre. Just get, at little cost, from your druggist or toilet counter, a bottle of Q-Ban (pronounced Ku-Ban) Hair Color Restorer. It comes all pre-paid in a handsome package. Apply it in the privacy of your room as per simple directions on the bottle. Your gray or faded hair will turn to that soft, lustrous, dark shade you so much admire. The length of your hair will be increased perceptibly, too. Dandruff will vanish. "Q-Ban" is harmless as water but as sure to darken your gray hair as the sun is to rise. Mail orders 75c. C. A. TREAT YOUR COLD OR CROUP WITH CHENEY'S EXPECTORANT

Cheney's Expectorant gives immediate relief to all colds. It is the quickest of all cough remedies. It produces results now. It is famous as a cure for croup and whooping cough. Cheney's Expectorant is so pleasant that children ask for it when afflicted. Colds are contagious and so every member of the family should take Cheney's Expectorant on the appearance of the slightest cold or symptom of whooping cough or croup.—Adv.

Dandruff Surely Destroys The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp, and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

Have You Piles?

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause. Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonard was first to find the remedy. His prescription is HEM-ROID, a tablet medicine, taken internally, that is now sold by druggists generally. Dr. Leonard tried it in 1,000 cases with the marvelous record of success in 98 per cent and then decided it should be sold under a rigid money-back guarantee. Don't waste any more time with outside applications. Get a package of HEM-ROID from Smith's Drug Store today. It has given safe and lasting relief to thousands of people and should do the same for you.—Ad.

Salient Style Features of the New Spring Frocks

Navy taffeta is to be much worn in Spring frocks, the style details including plaid embroideries, all sorts of pleated tunics and aprons, and very crisp side distensions with scallop and frill or ripple effect.

Very full skirts are frequent in this fabric, as well as the puffed treatments in drapings.

A chic two-piece frock just received is made of navy taffeta embroidered in Bulgarian colors and made with an accordion pleated underskirt. It is two-piece, since the high standing collar may also be worn as a military cape or not at all.

New models are being stocked daily.
