PRELIMINARY RULES **ON TEXT BOOKS MADE**

Citizen News Bureau By R. E. POWELL

RALEIGH, June 3.—Preliminary rules and regulations for the guidance of members of the State Text Book commission were announced from the state superintendent's office as a result of the first confab held here yeserday. They are: 1. Each member of the Text Book

commission shall study the needs of the elementary grades and the text books suitable for each grade. 2. It will be the policy of the mem-

bers of the commission to receive reg-istered representatives of publishing houses for the purpose of discussing text books offered for adopton. 3. Publishing houses wishing to of-

for for adoption text books suitable for use in the elementary grades are requested to send copies of the same to the home address of each member to the home address of the commission.

4. At the next meeting of the com-mission, to be held at the call of the chairman, the commission will com-plete its cutline course of study and submit the same for approval of the state superintendent of public instruction for final adoption and publica

Members of the commission are T R. Foust, Greensboro, chairman; T. R. Foust, Greensboro, chairman; T. W. Andrews, Salisbury, secretary; N. F. Steppe, Marion; C. S. Warren, Hamlet: Miss Celeste Henkel, States-ville; Miss Mary Graham, Charlotte, and Miss Sullivan, Asheville.

over the north and middle Atlantic states and anti-cyclonic area has its crest over North Dakota. Rains have occurred in Florida, Louisiana, Texas, Arkanass, Ok-lahoma, Kansas, Missouri, Iowa, Wyom-ing and the Lake region. It is slightly cooler in the upper Mississippi valley and the plains atates and warmer in the plateau section. The lowest tempera-ture reported this morning was 44 de-range is from 60 degrees at Raleigh to 80 degrees at Miami and New Orleans. Indications point to partly cloudy wea-ther in Asheville and vicinity Saturday. T. R. TAYLOR. Meteorologist.
