Do You Rest Well?

Best for Rest

O you have trouble in going to sleep? Are you restless? Do you wake often --- and do you get up unrefreshed?

What a terrific strain on your nerves---what a drain on your reserve strength!

THERE are many causes of insomnia, but the most obvious cause is the mattress.

You place your body on a mattress and allow it to relax so that as you sleep the body tissues may be renewed.

To get the right kind of sleep --- the restful

es and strengthens you---the mattress must not "sag" --- nor should it be unresisting.

CONSIDER the "KINGS-DOWN Mattress", if you please. It is built on a scientific principle, giving it a softness and buoyancy that allows you to relax --- and sleep with both mind and body.

Don't take our word for it. Go to the "KINGSDOWN" dealer in your locality and ask to see this famous mattress that's "best for rest."

> Feel its softness and remember that the "KINGSDOWN" is built from layers of cotton felt. Its comfort is the kind that lasts.

When you buy a mattress --- you should buy sleep! And that means "KINGSDOWN"
