This brought up the question of sales tax or some other special form of taxation, proponents of a sales tax arguing that some such plap would be necessary to budge the gap between the time of the passage of the bonus legislation and the time that funds from the sale of the refunded British bonds would become available. They were understood to have argued that the money from the bonds might not be available for several months or a year after the bonus bill was passed as the refunding negotiations might consume con-siderable time and some time might be necessary for the sale of

PRICE FIVE CENTS

Asheville Capital Behind Project to Beautify 500 Acre Tract.

PARCEL BOUGHT OF ROEBLING ESTATE

Paved Streets, and All Modern Conveniences Proposed.

A gigantic resort development in he Beaverdam section, which will prove a great attraction to tourists o the Land of the Sky, is being planned by a company almost

bally composed of local men. give hundred acres of land, located for the most part on both sides of Beaverdam creek in a beautiful valley, has been purchase ed by this group of men from the Roebling estate. The tract was owned by the late Paul Roebling. that it was his intention to bring about a development of this sort. Friends of Mr. Roebling say that had he lived the development already would have become a reality. The tract is ideal and the new

owners are making their plans to build a dam across Beaverdam, creek, thus forming a beautiful lake, creet modern hotels, build an ideal golf course, by off streets and sell lots. It is understood the new com-

consideration for some time but no formal announcement has been made as to their plans. This will unquestionably prove a

fine as t to the Beaverdad accunderstood the property was bought from the Roebling estate by Dr. Robert C. Anderson, of Montreat, Judge J. D. Murphy, W. H. Belk, of Charlotte, Mr. Ray and other local business men,

Should the plans be carried out. paved streets, water, electric lights and all modern conveniences will be installed. It is not known whether or not a corporate fown will be established.

For a number of years various amusement projects have been con-sidered by business men of Asheville and also outside capital, and on several occasions it has ap-peared that sufficient interest had been aroused and an amusement park would be the outcome. Hawgiance would militate against the proposition and Asheville would continue without an amusement and resort development.

It is assured the promoters of the Beaverdam project can through the plans proposed increase the popularity of Asheville among tourists and the big developmenti undertaking will receive support at the hands of citizens interested in the progress of the city.

TORONTO, Jan. 18.—Anderson Buchanan, a law student, died suddenly today after taking a "beauty powder" sent him by mail and guaranteeing to change his com-plexion within 24 hours. The authe campaign plexion within 24 hours.

Large Portion of Booms Interchangeable Mileage

mands for reduced railroad rates, both freight and passenger, were made by several senators today when debate was begun on the when debate was begun on the bill of Senator Watson, republican,

Reduced rates would stimulate idle men," he said, "when we have such rich resources and such demands of for finished goods. A large proportion of this unemployment is due to booms and depressions."

"The way in which the owners in industry may be of value in the elimination of waste," he added, is in stabilizing production. They are the present rate levels, Senator Cummins, republic, asserted. I lowe, chairman of the senate interstate commerce committee, asserted. Rate reductions were hoped for, he added, as a result of the present rate inquiry of the instabilizing production. They are the propose more than anyone else who inson, democrat, Arkansas, said.

empty.
Senator Robinson spoke at length in support of the inter-changeable mileage book bill, which has been urged by many or-

ganizations of traveling men and commercial bodies. The bill was opposed by Senator Cummins, who offered a substitute

rights, he argued, in proposing to fix a rate for intrastate travel. Senator Robinson proposed that the mileage books be issued in 3,4, 000- instead of 5,000-mile books.
