Will Cost Money To Make Picture Of Princess Mary To Be Married on February 28—Photographers Are Given the Prices

LONDON, Feb. 18.—(By The Associated Press.)—Plans for reporting and photographing Princess Mary's wedding on February 28, reveal the fact that photographers, in order to procure desirable vantage spots for their cameras, will be called upon to pay huge sums of money.

From 40 to 50 million pictures cameras will be employed and about 100 press cameras for snapping photographs of the procession. A favored place for taking pictures will be near the Westminster Abbey gateway, where the bridegroom, Viscount Lascelles, King George, Queen Mary and other members of the royal family, as well as the chief guests, will alight from their carriages and enter the building.

For the privilege of taking pictures from the abbey authorities are said to be asking 1,000 pounds sterling, the money to be devoted to the fund for restoration of the edifice.

Little Progress Expected Ratification Will Be Delayed Longer Than Thought

SENATORS WANT TO GET INFORMATION But Harding Says "Minutes of Conference" Were Not Kept

WASHINGTON, Feb. 18.—(By The Associated Press.)—Despite the pressure of both republican and democratic senate leaders for prompt action, controversies are developing within the foreign relations committees which may lead to a long committee discussion before any of them is brought to the senate floor for ratification.

Some members of the committee predicted today that the effort to secure a detailed explanation of the negotiations leading up to the four-power Pacific treaty would in itself become a considerable delay.

LEADERS FEEL CERTAIN. The party leaders on both sides of the chamber are satisfied that the disagreements and delays encountered will not prevent ratification of any of the treaties.

At a later hour in the evening A. J. Floyd, of Edgemoor, arrested, and his car, a Dodge seven passenger seized by the police.

Both Senators Lodge and Underwood, who are members of the delegation, have told their colleagues that virtually all the four-power negotiations were carried on in the "informal" meetings of the committee members.

Senator Hitchcock, of Nebraska, ranking democratic member of the committee and author of the resolution of inquiry, plans to leave Washington Monday for a western tour.
