Mr. and Mrs. C. B. Merrimon have returned to their home at Tulsa.

Okla., after spending the summer in Asheville with Mrs. Brewster Phillips on Merrimon Avenue.

Mrs. H. N. Bond has gone to Memphis, Tenn., for a visit to relatives.

Mr. and Mrs. L. Orme Larson have returned to their home in St. Augustine, Fla., after spending the summer at Pisgah Forest Inn.

No wonder it's GOOD

NORRIS VARIETY BOX

Best dairy butter—sweet, rich cream—real fruit—freshly cracked nuts. \$1.50 a pound

Great French Radio Station to Help in Linking the World

PARIS, Sept. 21.—Another step in the plan to "moor the new world alongside the old" has been taken here by the opening of the great French wireless station at Saint-Asaise. This is described as the biggest wireless station in the world, and it has a capacity, its builders say, of 1,000,000 words a day. Messages have already been sent at the rate of 50 words a minute with perfect clearness, and when the equipment is completed it will be possible to send five or six messages simultaneously, with a total output of 600 words a minute.

DOES LAUNDRY WORK AND HOUSEWORK TOO

Surprised to Find Herself Feeling So Well

Taunton, Mass.—"I used to have pains in my back and legs so badly, with other troubles that women sometimes have, that my doctor ordered me to stay in bed a week in every month. It didn't do me much good, so one day after talking with a friend who took Lydia E. Pinkham's Vegetable Compound for about the same troubles I had, I thought I would try it also. I find that I can work in the laundry all through the time and do my housework, too. Last month I was so surprised at myself to be up and around and feeling so good while before I used to feel completely lifeless. I have told some of the girls who work with me and have such troubles to try Lydia E. Pinkham's Vegetable Compound, and I tell them how it has helped me. You can use my testimonial for the good of others."—Mrs. BLANCHE SILVIA, 69 Grant St., Taunton, Mass.

It's the same story—one friend telling another of the value of Lydia E. Pinkham's Vegetable Compound.

When Baby Complains.

THERE ARE MANY WAYS a baby has of expressing any pain or irregularity or digression from its normal condition of health and happiness. A short sharp cry, a prolonged irritated cry, Restlessness, a constant turning of the head or of the whole body, fretful, in these and other ways a baby tells you there is something wrong. Most mothers know that a disordered stomach, or bowels that do not act naturally are the cause of most of baby's sufferings. A call for the doctor is the first thought, but in the event of any delay there should be ready at hand a safe remedy such as Fletcher's Castoria.

Castoria has been used for baby's ailments for over 80 years and has merited the good will of the family physician in a measure not equaled by any other baby's medicine because of its harmlessness and the good results achieved.

And remember this: Castoria is essentially a baby's remedy and not a cure-all for every member of the family. What might help you is too often dangerous when given to a babe.

Castoria always bears the signature of *Dr. J. C. Fletcher*

Dollar Day Specials

Dollar Day Specials

It has been our policy in these Dollar Day Sales to give the biggest value for the least money that is possible to afford that standard we propose to maintain.

Our First Shipment Is Here!

Valier's Dainty Flour

Why it will pay you to buy this "Sack of Satisfaction"

We are mighty glad to announce that we have secured the agency for Valier's Dainty Flour.

Dainty is undoubtedly the finest winter wheat flour we ever handled. You can bake much better cakes and biscuits with Dainty than you can with ordinary flour. This better baking can be depended on right along, too. And you use less lard.

Dainty is produced from only the very choicest of soft winter wheat, and only the best part of that—the creamy white centers. And it is slowly milled by the special Valier process—thus retaining all the natural goodness of the selected wheat.

Dainty costs a little more than ordinary flour, of course. But it is the most economical in the end. And don't forget the better baking!

Try a sack of Dainty Flour—today.
