RKS WILL ATTEMPT PEACE SETTLEMENT

"DEDICATED TO THE UP-BUILDING OF WESTERN NORTH CAROLINA

will Be Among Largest Developments Ever Attempted in Section.

PROPERTY WILL BE SOLD IN 85 LOTS

nticipate Outlay of \$800,000 During the Next Five Years.

Development of one of the largest single residential sections ever attempted in Asheville or vicinity, utilizing 19½ acres of valuable property near Grace, with the erection of at least 100 residences, over a period of from three to five years, and representing an investment of from \$600,000 to \$800,000, will be started at once by J. T. will be started at once by J. T. Bledsee and Company, with ma-erials on hand for the erection of re or six residences, it was anced yesterday.

hounced yesterday.

The property is located within 150 feet of Merrimon Avenue, reached by the Grate car line, and is served from Merrimon by Dundee Street, Indiana Avenue and an extension of Larchmont. Located extension of Larchmont. Located in the center of a rapidly growing section and within easy access of the city, the new development will prove a valuable addition to the midential sections around Ashe-

e, approximately one mile of saved sets, sewer and water mains, resenting a cost of about \$50,-, will be started at once and the

will be started at once and the cets will be of a concrete base in an asphalt top.

J. T. Biedsoe and Company rently acquired the Lauerhase roperty, 12 acres, adjoining the hidren's Home, and during the ast few days the McConwey proprity, six and one-half acres, imiediately north of the Lauerhass ract.

The five or six brick veneer resi-ences to be started within a few ays will cost from \$6,600 to \$10.in addition to the value of the

gear, which means that automobile owers can drive from the center of the city to their homes at a fair

rate of speed.

A feature of the development will be the liberal terms to be offered by the company to homescekers, arrangements being made

In an effort to secure an appro-late name for the development, talls of a contest will be an-unced within the next few days, The newly acquired tract is con-

ered by real estate experts to among the most attractive uneveloped property in close proxi-tity to Asheville and with buildng operations to be started at

Congestion Cleared-Ready for All Traffic on and Beyond Line.

All outstanding freight embar-oes on the Southern Railway were cancelled yesterday and it is announced that the lines are clear of all congestion and the company is prepared to handle business to all points on its own lines and

all points on its own inces and beyond.

The lifting of the embarge, which practically demoralized all manufacturing industries and the lumber business of Western North Carolina, has been greeted with pleasure by business men as it means a decided step forward following the watternwide strike of lowing the nation-wide strike of shopmen.

The emBargo is also removed to include points reached by the Po-tomac Yards, Va., and the Ohio

Traffic will be accepted from shippers and connections for all destinations, subject to outstand-

The "hold order" as egecting the shipment of lumber from points on the Murphy Branch to other points on the Southern Railway was removed several days ago, but appers of lumber were unable to orders for Western and East-in points. The lifting of all embargoes will mean the early movement of hundreds of cars of lumber, now standing in yards and of various lumber plants, it was stated yesterday.

The Champion Fibre Company

The Champion Fibre Canton, was one of the largest the progre-ints affected by the embargess, rison admit t essumed operations hat Pues-by and will now he in position have all products moved for all bospitals.

Plan to Restore Austria Viewed With Optimism

League of Nations Third As-sembly is Adjourned At Geneva.

GENEVA. Sept. 30.—(By The Associated Press.)—Optimismover the success of the league of autifications' plan for the restoration of Austria was noticed at the clossing mession of the third assembly of the League of Nations today: The Earl of Balfour declared that the world no longer could tolerate any derelict state, and it was the obtigation of the league to see that Austria was put on her feet. The league, he added, would see to it that it was done in such a way that no special interest would lay its hand on Austria.

The third assembly of the league of nations adjourned sine die at 5 o'clock this afternoon.

The aix non-permanent members of the council were elected by the assembly. They are Brazil, Uruguay, Belgium, Sweden and China.

It was the first time such an election has been decided on the first ballot.

The assembly also adopted the

first ballot.

The assembly also adopted the new scheme for apportionment of the expenses of the league.

Norwood Believes Perusal Will Pull Votes for Democratic Ticket.

> CHEMEN NEWS BURNAU (By BROCK BARRLEY)

RALEIGH, Sept. 30.—The demo-eratic executive committee got its handbook from the printers today handbook from the printers today and 2,000 copies were started out to county chairmen, precinct com-mitteemen and party workers over the state. The book contains 220 pages of Democratic argument and Chairman Notwood thinks a parusal of the contents by voter would influence him to vote right in Notworker.

on the self from \$\$,000 to \$13,000.

In entire property will be disided into \$\$ tots, with fronties anging in size from \$4 to \$5 feet and for the contents of the State Report of depths of from \$125 to \$175 feet and for the contents of the State Report of the state Report of the state of \$1,000.

chairman Norwood has a con-vincing message to the Democracy of North Carolina in which he sets forth some real reasons why the party should get a big endorsemet. yote in November The handbook vote in November. The handbook has a word to say about State finances, the department of reverus, the public school system. State road construction, progress at the University, the State A. & E. college, and the Woman's college at Greensboro the corporation commission, automobile license department department of labor and printing, historical commission. ment department of labor and printing, historical commission. library commission, and taxes. Governor Morrison, of course comes in for a great deal of praise as the head of the State Government in discussion of the work of the various departments. The whole book is a commendation for his administration and specific mention of his accomplishments in various lines of official endeavor is of frequent occurance.

In the matter of taxes, the hand-book gives the thing in a "nut-shell," as it were with this paragraph: "But it is said that taxes are too high and that the Democratic party is responsible. Let us see about that. The State of North Carolina neither levies nor collects a cent of taxes upon your or my property, real or personal, as a direct property tax. The countles of the State, however, do levy such a tax. Now, there are counties in the state being administered by Democrats, and there are countles in the state administered by Republicans. Democratic country commissioners fix the tax rate for Democratic countles, Republican county commissioners fix the tax rate for Republican counties. The average tax rate in the seventy-one Democratic counties of the State is eighty-five and seventenths cents on every hundred dollars worth of property taxed. In cent of taxes upon your or my

hars worth of property taxed. In the twenty-nine Republican coun-ties the average tax rate is one hundred and two cents on every undred collars worth of property taxed, a difference in favor of the Democratic counties of more than Democratic counties of more than sixteen cents on every hunred dollars property taxed. Obviously Republicans prefer their taxes over mneteen per cent higher than dothe Democrats. So, then those who prefer low taxes should living Democratic counties. The cheapest way to do this is to vote the Damocratic ticket—it is the Damocratic ticket—it is

the Democratic ticket—it is cheaper than moving to a Demo-tratic county. Make your county Democratic and save money." In national affairs the hand-book calls 'Four Republican Policies," these: "Tax Revision for the Buccaneers; A Tariff for the Privateers: Senate Seas for he Privateers; Senate Seas for the

Auctioneers.

The handbook makes but little anving the power company apmention of party historical events tuch as one took up a great deal of yearly, and is one of the foremost space. It is devoted principally the progressive record as a decinitariate.
