CLUB NOTICES

OFFICERS TO BE ELECTED BY ASHEVILLE CHAPTER OF U. D. G.
 Election of officers for the year will feature the meeting of the Asheville Chapter of U. D. G., at the Y. M. C. A., on Broadway this afternoon at 2:30 o'clock. This is the last meeting before the state convention at Wilmington and all officers and chairmen of standing committees are requested to bring in writing reports covering their year's work. Delegates to the general convention at Birmingham, Ala., the second week of November will also be elected at this meeting. Mrs. C. M. Platt and Mrs. T. F. PLANS ARE BEING MADE FOR DISTRICT MEETING OCT. 19
 Plans are being made for the district meeting of Women's Clubs which is to be held in Waynesville, October 19. Mrs. Duke Hay, the district president, has announced that at least three state officers will be in attendance. Several years ago the district clubs voted that the annual meeting should be placed on a self-sustaining basis and such a plan was put into effect. This year the Waynesville ladies have found that a hot luncheon can be provided at a nominal cost and letters have been sent to the president of every club in the district asking an expression of those who will attend as to the luncheon. The president is requested to write Mrs. Barber, giving her club's sentiment in answer to the following letter:

"Dear Madame President,
 At the request of the President, chairman of Lunch and Hospitality Committees of the Woman's Club, I am writing this letter.
 You know the District voted the meeting be self-entertaining in regard to lunch. The Woman's Club who extended the invitation have the co-operation of the other clubs, and would be glad to entertain the meetings, but do not think it would be fair to others who will want to entertain it for us to set the precedent. Yet we would like to know how many ladies would not prefer paying seventy-five cents each for a warm lunch than to prepare and bring their own basket. In this way the meetings would still be self-sustaining.
 We would like an expression from every club in the District, as we are only too glad to plan any way that will best suit our ladies.
 We would like to know how many will come from your club, and when they will arrive.
 Extending your entire membership a cordial invitation and asking an early reply, we are,
 Very Cordially Yours,
 MRS. R. N. BARBER,
 For the Woman's Club of Waynesville."

 Members of the Woman's Club who can attend the district meeting at Waynesville on October 19 are requested to report it to the president, Mrs. E. F. Wilson, residing at 230 E. Third Street, or to any other officer of the club, these being, Mrs. G. A. Pettway, first vice president; Mrs. J. G. Sikes, second vice president; Mrs. E. F. Wilson, recording secretary; Mrs. John D. MacRae, corresponding secretary; Mrs. J. D. Earle, treasurer.

Anyone desiring to join the Choir for the coming year is requested to qualify tonight, this being the last voice hearing to be held this season. The enrollment in the Choir is now larger than ever before, with some fine material added in the new members. The spirit manifested goes far toward making the rehearsals inspiring and pleasant in more ways than one. The members of the Choir will welcome any new voices that may qualify, and an opportunity is offered to all who will take advantage of it for some very delightful work in music for the coming year, as well as the finest of musical training given practically free.

Why Castoria?

YEARS ago Castor Oil, Paregoric, Drops and Soothing Syrups were the remedies in common use for Infants and Children; Castor Oil so nauseating as to be almost impossible and the others all containing Opium in one form or another, but so disguised as to make them pleasant to the taste, yet really to stupefy the child and give the appearance of relief from pain.

It required years of research to find a purely vegetable combination that would take the place of these disagreeable, unpleasant and vicious remedies that from habit had become almost universal. This was the inception of, and the reason for, the introduction of Fletcher's Castoria, and for over 30 years it has proven its worth, received the praise of Physicians everywhere and become a household word among mothers.

A remedy ESPECIALLY prepared for Infants and Children and no mother would think of giving to her baby a remedy that she would use for herself, without consulting a physician.

Genuine Castoria always bears the signature of *Dr. H. P. Fletcher*
