ALEXANDER BLANKS WHITE SOX 2 TO 0

Cubs Win Chicago Championship for First Time in 20 Years—Leave for Orient Soon.

CHICAGO, Oct. 15.—Grover Alexander today whitewashed the White Sox, 2 to 0, and won the title of Chicago city champion for the Cubs. The Cubs won four games to the White Sox three. It was the first time the Cub veteran ace had been able to win from the White Sox in three years. The victory of the Cubs today in the first since 1902, when the White Sox won the title and retained it until today. The game, the seventh of the series, was a pitched duel between the Cuba star and Dixie Levertree, the former outpitching the youthful White Sox boxer. The Sox failed to hit when they had men in a position to score, as Alexander lightened up and his mates performed in grand style behind him in the pinches.

Empire Derr is escorted from field by police when crowd protests decision.

ST. PAUL, Minn., Oct. 15.—The Baltimore International League champions, won the Junior world series by defeating St. Paul, American Association leaders, 4 to 2 here today, giving the Easterners five games to St. Paul's two.

The Empire Derr, of the International League, was escorted from the field by police after the game when the crowd swarmed onto the field to protest a decision made by Derr in the eighth inning.

Senegalese to Meet Beckett in London For European Title

Siki Expects Victory Over Beckett, Which Will Lead To Dempsey Bout.

PARIS, Oct. 15.—(By The Associated Press.)—Battling Siki, the Senegalese pugilist, will meet Joe Beckett, the English heavy-weight, in a 20-round battle for the European title, November 23. This was decided today when Major Arnold J. Wilson, English promoter, obtained signatures of both M. Helers, Siki's manager and Siki, to a contract under which Siki will receive \$450 pounds for his end of the purse. Siki returned to Paris from Holland this morning and had a long talk with Helers prior to the signing of the contract. The financial difficulties which had threatened to separate the manager and the fighter had been smoothed over.

Siki has signed a contract with Helers who is to look after the Senegalese fighter's affairs until May 30, 1923. Helers, not having heard definitely from Tex Rickard with regard to a fight for his charge in the United States, decided to accept the offer of Major Wilson for a bout in London with Beckett who last Thursday night in the English capital stowed away Frank Moran, the American heavy-weight in seven rounds.

The fighter does not conceal his lack of desire to meet Harry White or Kid Norfolk, the American negro battlers, but through Helers he has expressed a wish that "my coming victory over Beckett shall be considered qualification to meet Jack Dempsey."

CENTRE AND PLAINSMEN LEAD SOUTHERN TEAMS IN SCORING

ATLANTA, Oct. 15.—Centre and Auburn, each of which has played four games, lead Southern football teams in scoring for the first month of the 1922 season, each having scored 108 points for an average of 27 points a game. They are closely followed by Georgia, 110 points, despite same number of contests and Washington and Lee, 112 in three games. Centre's defence has been particularly stout and that by Philbrick Gentry, of Virginia Polytechnic, in yesterday's contest, while the only scores made against Auburn were in the Arpy backs in yesterday's game, which the Plainsmen lost 13 to 6, and a Spragg Hill touchdown. North Carolina state's lone touchdown against Washington and Lee without the extra point is the only highlight of the record of the Plainsmen, and Chicago University, 90 points the only ones against Georgia, but the greatest example of defence this season was shown in yesterday's match between Vanderbilt and Michigan, in which the Vanderbilt Commodores who have averaged 26 points a game so far, held the Wolverine to a naught-to-eight score.

In the contest at Nashville, marked by the opening of the Southeastern gridiron stadium, with a seating capacity of 25,000 spectators, the Commodores showed they are to be reckoned with by any opponent this year, and once they held the heralded Wolverines for long after the latter had made four touchdowns, starting from Yand's one-yard line.

Wake Forest put up a stout example of defense against the David-

son team which had been expected to win handsily and by the clever passing of Captain Heckman was credited with a 6 to 0 victory with the exception of the one yard line, which was against unexpected opposition in the back, and the State eleven could only get a 3 to 1 victory, despite unusual passing and by the one-pointing of Tom Park.

And from that example of sound defensive play, the day was marked by brilliant offensive plays, probably the greatest being the 95-yard run of Hallock Oliver of Alabama, from the 25-yard line, which resulted in the only score against Georgia Tech's 23 points, and by the 67-yard dash of Snipes of Georgia, leading which saved his team a shutout at the hands of North Carolina University, which won 10 to 7.

South Carolina's Auburn natives, exhibited sterling worth both on offense and defense in the game with the West Virginia team, which had a close call for the Old Dominion eleven seemed doomed to lose 6 to 0, Richmond University and a tumble in the last period started the university to scoring.

Virginia was another team that had a close call for the Old Dominion eleven seemed doomed to lose 6 to 0, Richmond University and a tumble in the last period started the university to scoring.

GRID DOPE UPSET IN IOWA-YALE GAME

FANS NOW LOOK TO HARVARD-CENTRE GAME

West Virginia's Victory Over Pittsburgh Comes as Shock—Passing Wins for Pennsylvania.

NEW YORK, Oct. 15.—Still feeling the effects of Iowa's 6 to 0 victory over Yale at New Haven Saturday, eastern football fans are turning toward the tussle at Cambridge, next Saturday, when another East-West struggle takes place—that between Harvard and Centre.

Both of these games, the Iowa-Yale and the Harvard-Centre, have an important bearing on the annual tussle between Yale and Harvard, which is without doubt the climax of the sport's eastern season.

Should Centre defeat Harvard, as it did last year, Yale's loss to Iowa would affect the big game so much, but it will be further proof that the Harvard-Centre game is somewhat better than that of the East, as Chicago last year and Iowa this year have about proved.

Harvard won from Bowdoin Saturday, piling up 15 points and keeping Bowdoin away from the Crimson goal, and Centre defeated Virginia Polytechnic, 10 to 6. The Virginia eleven is a much stronger team than last year, but Centre's defence is generally believed to be "Praying Colones" won two of their best men sitting on the side lines.

More shocking to students of the game than Iowa's trimming of Yale was West Virginia's victory over Pitt, the first time it has occurred in 20 years, was a late field goal that turned the tide.

Neither Army nor Navy was greatly impressive in their games Saturday, but both of which came with the team behind to win, the former over Alabama Polytechnic, 19 to 6, and the latter over Bucknell, 14 to 0. The Navy game was a smooth affair, but at West Point the cadets were completely outplayed until the last period.

Where a forward pass lost for Colgate to Princeton, the aerial game won for Penn from Maryland.

MONEY NEEDED FOR PATRIOT BALL CLUB

COMMITTEE NAMED TO RAISE FUNDS FOR 1923

J. T. Rees, President of Club, Must Notify League President by October 18.

Special Correspondent The Asheville Citizen: GREENSBORO, Oct. 15.—Baseball next season in Greensboro is now only a matter of some money. The spirit of the league and the desire to be seen whether money will back it. The Chamber of Commerce and the Merchants' Association are getting behind the project, and it is possible that some towns hungry for baseball in the Piedmont League will not refuse to take over the Greensboro franchise.

Directors of the two organizations held separate meetings and those of the Chamber of Commerce decided that baseball is a good thing, endorsing it as such, and E. H. Jefferson named a committee to get at some ways and means. The Merchants' Association directors declared that they would like to see baseball remain here, but that they believed it is a matter to be considered by merchants individually, and President Jefferson of the Association, was authorized to carry that view to the Chamber of Commerce directors.

John T. Rees, president of the local committee, who has charge of the matter, must give a definite answer to W. O. Bramham, president of the league, by October 18, or his resignation is essential. A meeting of fans has been called for next Tuesday to take a look at the situation and see what they want. It is expected that a meeting on the committee by the president of the Chamber of Commerce are endeavoring to find a way out. That committee will call upon leading business men. It is expected, and ascertain just how much support can be counted upon. It is going to be necessary for some money to be invested.

NATIONAL CELEBRATION OF 'FORGET-ME-NOT' DAY

Establishment of Summer Camps for Maimed Heroes an Objective.

Special Correspondent The Asheville Citizen: CINCINNATI, Oct. 15.—Summer camps in attractive spots where the wounded and disabled American veterans of the World War can congregate and spend their summer vacation outings, are to be created in various parts of the country, as one of the objectives of "Forget-Me-Not" day, to be observed throughout the United States on Saturday, November 4. Already a few camps have been established by the Disabled American Veterans of the World War, where thousands of disabled vets were accommodated during the last year and extensive plans for 1923 and future years calls for more such camps, where the men who were maimed and crippled in the service of their country during the great war can devote a week or more to healthy, active and enjoyable relaxation. Several other projects are being accomplished as a result of the "Forget-Me-Not" day campaign, but the Summer Camp plan are the most important, and an elaborate scale will be carried out providing vacation spots for all disabled veterans of the nation.

A call for young ladies and women of the nation in connection with "Forget-Me-Not" day workers in their respective communities has been sent out by C. Hannock Nelson, Secretary of the United States Disabled American Veterans of the World War. "The plan is to have a 'Forget-Me-Not' day in all parts of the various cities and towns of the United States, on Saturday, November 4. It is pointed out, and urged a ready and active response from the women of the nation.

Colonel T. L. Houston, commander of the Veterans of the Foreign Wars, has heartily endorsed "Forget-Me-Not" day and the support of that organization, consisting of American veterans who have served the flag in foreign lands, has been pledged to active participation in the "Forget-Me-Not" Day. "The day will go towards the relief and welfare of all wounded and disabled American veterans of the World War, regardless of their affiliation or non-affiliation with any veterans organization.

MARRIED THREE DAYS, HE TAKES OWN LIFE

BRISTOL, Tenn., Oct. 15.—Married only three days, Walter Ratcliff, 29-year-old grocer, today took his own life by swallowing some poison. He died in a few minutes after drinking the acid at the home of his mother. His body was taken to the home of his bride, just across the street from that of his parents. A coroner's jury held that Ratcliff came to his death by his own hand. No motive has been assigned for the act as he appeared to be in the best of health and spirits for the past few days.

TRINITY PLANNING TO HONOR BISHOP KILGO

President Few to Make Suggestion in Next Issue Alumni Quarterly.

Special Correspondent The Asheville Citizen: DURHAM, N. C., Oct. 15.—The \$100,000 building to contain a fully organized school of religious training, in connection with the program of expansion for Trinity college as recently outlined will probably be named in honor of Bishop John P. Kilgo, president of Trinity college from 1884 to 1910. President Few will make the suggestion that the building be named for Bishop Kilgo in the next issue of the Alumni Quarterly of Trinity.

James B. Duke will give \$25,000 toward the erection of the building for the separate school of religious education and the conferences of the Methodist church to furnish the needed remainder. The matter will be placed before the Western Conference when it meets in Memphis this winter. The building will be dedicated in the spring.
