I give if up. 1 hear of wondernight. Yes, for that night. and miracles, performed with need and thread; but I am in doubt. néedla interested in larger amounts, hold my pen poised in vain when dollars is a larger amount. I would add to Duicle's life some of those loys that belong to woman by virtue of all the unwritten, sucred, natural, inactive ordinances little red speck on the side of nome. And after that was attended to she drew up a chair to the rickety table, and told her fortune of the equity of heaven Twice she had been to Coney leland and had ridden the hobby-horses. 'Tis a with an old deck of cards. "The horrid, impudent weary thing to count your pleas by summers instead of by

"The horrid, impudent thing." she said aloud. "And I never give him a word or a look to make him Piggy needs but a word. When think it!" You never did" exclaimed Sadie inringly. "Well, ain't you the sy one? Piggy's an awful swell; the always takes a girl to swell three-letters lesson in the old blue At nine o'clock Duicle took a tin box of crackers and a little pot of raspherry jam out of her trunk, and had a feast. She offered Genspelling book begins with Piggy's blography. He was fat; he had the eral Kitchener some jam on a cracker; but he only looked at her as the aphinx would have looked at a butterfly-if there are butter-

t or sweight, four in have a sweight and the magnanimity of a cat. bulche hurried homeward. Her a connoisseur in starvation. He s were shining, and her checks wed the delicate pink of life's-ing you to an hour how long it had been since she had eaten anything Friday; and she had fifty cents of her last week's wages. ulcie lived in a furnished room. shopping districts, and proweled proweled re is this difference between a around in department stores with rished room and a boarding-his invitations to dinner. Men who his invitations to dinner. Men who ple do not know it when you go of a string look down upon are now invited to call and invest

At ten minutes to seven Dulcle was ready. She looked at herself in the wrinkly mirror. The effec-tion was satisfactory. The dark blue dress fitting without a wrinkle. She looked at herself hube dress nithing without a winner the hat with its jaunty black feath-er, the but-slightly-sofied gloves-all representing self-denial, even of food-were vasily becoming. Dulcie forgot everything else for

a moment except that she was beautiful, and that life was about to lift a corner of its mysterious vell for her to observe its wonders.

No gentleman had ever asked her out before. Now she was going for a brief moment into the glitter and exalted show. Somebody knocked at the door

Dulcie opened it. The fandlady stood there with a spurious smile, aniffing for cooking by stolen gas. "A gentleman's downstairs to see you." she zaid. "Name is Mr. Wiggins." By such epithet was Piggy known

to unfortugate ones who had to take him seriously. Dulcie turned to the dresser to handkerchief; and then she

stopped still, and bit her under lip hard. While looking in her mirror she had seen fairyland and herself.

# **Dollars and Destinies**

THE human aspects of our Trust responsibilities make us appreciate and adhere to the soundest principles of financial conduct. We are dealing not only in dollars but also in destinies-human aspirations and happiness-and we conserve the dollars in order that the destinies may be realized.

> We solicit Trust business on the basis of our record for safety, punctuality, personal service, and experienced management.

> When we serve in the capacity of Executor or Trustee, our fee is no larger than that of an individual acting in the same capacity.

We cordially invite you to consult with us on any matter of Trust.
