

### ROTARIANS ARRANGE FOR 'LADIES' NIGHT'

Special Social Event Set for November 23—Visiting Rotarians Are Heard.

The evening of November 23 has been designated as "Ladies' Night" by the Asheville Rotary Club. This date having been determined by the special committee, Carol N. Brown, chairman, reported at yesterday's meeting of the club. This special occasion will have a double significance to Asheville Rotarians in addition to being a social event of importance. It will be the last gathering of Rotarians and friends to be attended by President Willis G. Clark, Sr., after his date he leaves for a new field in Tennessee, having resigned as secretary of the Trinity Episcopal Church here.

Announcement was made yesterday that the Asheville Rotary club will be host to about 25 ladies who will be in the city next Thursday.

Attending the state convention of the Parent-Teacher Association, Rotarian Warren Hubby, of New York, N. Y., and James Burke, of Erie, Pa., in the city attending the Electric Power Club, were guests of the local Rotary Club and Mr. Burke spoke of his impressions of the Rotary clubs of London, Edinburgh and Paris, which he visited while on a recent tour of Europe. Mr. Hubby spoke interestingly of the Boys' Work being carried on by the Newark club.

### REVIVAL ATTRACTS OVERFLOW AUDIENCE

Packed House Hears Rev. J. B. Grice Speak on "Are the Young People of Asheville Safe?"

Speaking in a crowded house last night in the revival at the North Asheville Baptist Church, on the subject, "Are the Young People of Asheville Safe?" Rev. J. B. Grice of the Calvary Baptist Church of West Asheville depicted modern evils in a vivid manner and declared that the only way for the young to keep in the straight path was to accept Christ. Tonight Rev. Grice will speak on "The Responsibility of Parents as Confessed by the Perilous Conditions of the Day." The service will begin at 7:30 o'clock. The revival has been running daily for the last ten days. It will be brought to a close Sunday night, Rev. Benjamin Borchert, the pastor, said yesterday.

### MANY GET TICKETS FOR DE WOLF HOPPER

Famous Entertainer and His Comic Opera Company Here Friday and Saturday.

The opening sale of tickets to the DeWolf Hopper attractions was with a rush. J. B. Carroll, manager of the Auditorium, announced last night. The tickets for the three performances are on sale at the box office in the lobby of the Imperial Theatre.

The history of the theatre probably presents no more distinguished and successful collaboration in the writing of operas than that of Gilbert and Sullivan, whose works have achieved the supreme test of criticism. They have maintained their charm, melody and wit through all the years since their original production just a half century ago. Their operas have preserved an enduring interest and from year to year theatre-goers and lovers of music manifest an undiminished affection for all of their compositions. This reflection has an especial pertinence at the present time in view of the announcement that the DeWolf Hopper and his Gilbert and Sullivan Comic Opera Company will appear at the Auditorium next Friday and Saturday nights and Saturday matinee in a repertoire of the most successful of the Gilbert and Sullivan operas, including among others "The Mikado" and "Pinafore."
