rs. Hudson was married twice, first husband being the late J. r Morton, of Virginia. She re-d at Montreat for the past ten s and was a devoted member he Presbyterian Church. Re-g with her were her two thters. Miss Edith Morton and

ghters. Miss Edith Morton and a Annie Hudson.
urvivors, in addition to her ghters, are four sons, Rev. J. ir Morton, Charleston, W. Vaz. nk W. Morton, Pulaski, Va.; Robert B. Hudson, Sinks ve. W. Va., and Raymond Hudwighters will be conducted at the dence today at 1 o'clock, Rev.

idence today at 1 o'clock, Rev. W. Belk, officiating. The body be taken to Dublin, Va., for in-ment, and will be accompanied Rev. R. C. Anderson, who will ct the final rites on Wednes

R-TIME INDEBTEDNESS

ons for settling the question of the allied war-time indebtedness to the United States have been ouring into the treasury since resident Harding recently exceed a willingness to award a rize for any practical concrete aggestion for its collection. The resident, it was explained at the time, consided interesting suggestions by nu-erous individuals that the debt ould be colleced but he had and a unanimous disinclination make concrete proposals as to collection was to be accom-ned. Evidently it was said is a officials at the treasury today by persons had taken the ra-d offer of a prize by the Presipred offer of a prize by the Presi-ent literally and daily suggestions to how the various foreign debts ight be liquidated are reaching the treasury. One man wrote that had a plan but wished to know ore concerning the prize before made known its details. However, according to high of-cials, none of the debt liquidation therestions so far received have

aggestions so far received havared anything of a constructive ure for the solution, of the ature for the solution, of the colem.

The foreign debt funding com-

the foreign dept funding com-ission, it was said, is making; udy of the economic conditions thin the various foreign debto-tions in he light of their ability meet their war-time obligations meet their war-time obligations this country. As a result of its study, it was indicated, the mission would be in a position know just what might be expeted from each debtor nation d determine its policy with resect to pressing for payment or atting for the development of titre circumstance as the inditter circumstances as the indi-lust cases might warrant.
