### WITHDRAWAL.

Nearly twelve months ago I found the FISHERMAN & FARMER Struggling for permanent existence surrounded with at this term, to the credit of his Hon. Mr. B. H. Swain, his original associate in the enterprise, having severed his North Carolina Mountain Rye Whisky Mr. Mitchell as a very deserving young at Bay View Bar. Prices to suit the man and admiring the praiseworthy ambition which prompted him in his new connection, I felt disposed to assis Trade at C. J. Pratt's. Fresh beef him. The rule of my life has been to every day. Stall next to Gregory's, aid, as far as possible, every young man engaged in laudable efforts to attain, and especially in such enterprises as look to his own elevation and to the A Splendid Tract of Land Coll !!! good of others. How much I have containing about 260 Acres, of which ance of my connection with its publication will not be misunderstood.

Wishing for Mr. Mitchell a continua The farmers have been blessed with MAN & FARMER an increasing success, I Hock wharf, where daily books stop en good weather throughout the crop-gath- hereby, with thanks to a generous public who doubtless have overlooked my errors and regarded me with favor. bound for Northern markets.

Respectfully, S. J. SKINNER.

## EXTENSIVE FISHING.

## From Raleigh News-Observer.

Clement Manly, Esq., of New Berne, is in the city attending the Supreme Court. In a pleasant chat Miss Lou Davis, who has been spend- with him on yesterday, a reporter ing several weeks with Miss Cora Mitch- learned some facts about the fishing industry around Bean ort and Morehead city. There is a large run of all kinds of fish and the catches are was captured a day or two since and though 450,000 have been taken from supplying fertilizer factories with The special rates given by the N. S. tremendens quantities of scrap. As RUNS DIRECT TO are placed in large vats and every particle of oil is pressed from them. This oil has a good commercial value and is a source of coasiderable reve. Free Passes to Economy to dry. Then they are packed in Miss Mary Dabney, one of Edenton's sacks and sent on to the fertilizer

The porpoise fisheries are also having fine runs. I housands are bein captured and two business is so heavy that two more factories are contemplated for extracting oil and working the place by inquiring for the Old skins. The business has increased over 100 per cent from last year. There are large runs; of other fish. Rev. R. A. Armstead left yesterday such as mullets, mackerel, clue tish
