There are times when a feeling of lassitude will overcome the most robust when the system craves for pure blood, to furnish the elements of health and strength. The best remedy for purifying the blood is Dr. J. H. McLean's Sarsaparilla, sold by H. A. Bond.

May they all be blest in their "basket and store" and be permitted to enjoy many happy returns of this season when "The bird of dawn singeth all the night long."

### Let Everybody Attend.

For the purpose of organizing a Building and Loan Association, those interested are requested to meet at the Court House to-night at 8 o'clock. Mr. W. D. Pruden will be present and explain the object, plans, &c., of the organization. It is the best move, for the poor of our place anxious for homes of their own, ever made in Edenton. Let's have a full attendance. There is money in it for the poor man beyond all dispute.

### A GOOD SUGGESTION.

The grounds of the Edenton Agricultural and Fish Fair are central and admirably located, buildings beautiful and ample, hotel accommodation the very best, the Norfolk Southern R. R. passing through the most fertile North Eastern Counties, the Tarboro, Williamson & Plymouth R. R. connecting directly with the Roanoke Steamers running directly to Edenton, enabling the people of the Roanoke Valley to bring their products directly to our grounds. The Albemarle Steam Navigation Co. offers every convenience to the Chowan and Black Water sections, the Pantego R. R. and Steamer Haven Belle give that section the best accommodations and with the Albemarle and Croetan sounds every part of the South Eastern Counties can find easy access to our doors. Possessing the above advantages, I suggest that we change the name of our association to "THE EASTERN NORTH CAROLINA Agricultural and Fish Association" and that a meeting of the Stockholders be called early in February, at which time this matter be thoroughly discussed and voted on. In the event of a change I think it best to appoint the Directors of the several departments at this meeting—no two from any one county, and invite their cooperation, and that we sell additional stock, not exceeding 20 shares in any county. Hoping to see this matter fully discussed in the papers of our section, I am Respectfully,

W. R. CAPEHART,  
President E. A. & F. Fair.

Threads, Nets and Nettings.

First, our (S) brand of Flax Gilling Thread is equal in every respect to our standard of former seasons. This make will have our name upon every package and IS NOT GENUINE WITHOUT IT.

In cotton Gill Nettings and Twines, we would refer to our "FISHERMEN" and "GOLD MEDAL" Brands, which are exclusively our own and are never sold as twine without our name upon each package, containing 5 pounds. For SHAD Netting they are unexcelled, being light, strong and cheap. We guarantee the qualities of our brands.

### POUND & SEINE NETTINGS.

Made from our "Shepard Gold Medal" Twines. These twines, as the larger fishermen of the country already know, have no superior, if any equal, as they are manufactured by us directly from the raw cotton of a high quality. All orders carefully and promptly executed and we beg to assure our old and new friends, always at as low prices and favorable terms, as from any other party in America.
