A \$30 A Day Man!

EXTRA EARLY PEAS.

Don't allow a salesman's talk to outweigh practical evidence. Before buying your Trucking Peas this season, send to N. C. Experiment Station, Raleigh, N.C., and Va. Experiment Station, Blacksburg, Va., for their reports on Extra Early Peas.

When such impartial authorities as these pronounce Tait's Nonpareil and Eclipse the best peas in the country, it means something more than an ordinary advertisement.

A day's difference in the picking of Peas will often make the difference between profit and loss; don't buy everything offered you simply because it is offered. Buy it because it is the best.
