Impure blood is the cause of innum-  
erable maladies. Hence, one of the  
benefactions to humanity was discovery  
Ayer's Sarsaparilla, which, more than  
any other medicine, has saved America  
from becoming a nation of invalids.

Said the Bushman to the Hottentot,  
"I've got a whit man in my pot",  
I want a black man," and he shot  
The fat and oily Hottentot.  
And so he cooked his meal that night  
And put it down in black and whi e.

Pallor, languidness, and the appear-  
ance of ill-health being no longer fash-  
ionable among ladies, Ayer's Sarsapa-  
rilla is more largely resorted to as a  
tonic-alternative, nervine, stomachic,  
and builder-up of the system generally.  
This is as it should be. Ayer's is the  
best.

We see the Tiskilwa correspondent of  
the Bureau County Republican, Prince-  
ton, Illinois, has the following to say  
of our fellow townsman, Dr. C. P.  
Bogert's visit to his old home: "Who  
should surprise his old friends the  
other day, but Dr. C. P. Bogert of  
Edenton, N. C. The Doctor left us  
about 15 years ago, and for a number  
of years was quite a conspicuous figure  
here. The old friends were more than  
glad to "shake" and give him a hearty  
welcome. Mr. B. practises dentistry  
in Edenton. He had been to the Fair  
and enjoyed a complete family reunion  
in Chicago."

Nothing small about these.

weighed 2 lbs, the other 1 1/2 lbs,  
and was 7 1/2 inches long, 3 1/2 inches wide,  
and 3 inches thick. Who can beat  
them.

that of the leading Universities, and
