In time to any irregularity of the Stomach, Liver, or Bowels may prevent serious consequences. Indigestion, heada sea, bilious-ness, and ver-tigo indicate certain func-

tional derange-ments, the best remedy for which is Ayer's Pills. Purely vegetable, sugar-coated, easy to take and quick to assimilate, this is the ideal family medicine-the most popular, safe, and useful aperient in pharmacy. Mrs. M. A. Brockwell, Harris, Tenn., says: "Ayer's Cathartic Pills cured me of sick

headache and my husband of neuralgia. We think there is No Better Medicine, and have induced many to use it.

"Thirty-five years ago this Spring, I was run down by hard work and a succession of colds, which made me so feeble that it was an effort for me to walk. I consulted the doctors, but kept sinking lower until I had given up all hope of ever being better. Happening to be in a store, one day, where medicines were sold, the proprietor noticed my weak and sickly appearance, and, after a few questions as to my health, recommended me to try Ayer's Pills. I had little faith in these or any other medicine, but concluded, at last, to take his advice and try a box. Before I had used them all, I was very much better, and two boxes cured me. I am now 80 years old; but I believe that if it had not been for Aper's Pills, I should have been in my grave long ago. I buy 6 boxes every year, which make 210 boxes up to this time, and I would no mere be without them than without bread."-H. H.
