A GOOD SHOW.

The New Orleans Dime Museum Company will give an exhibition to-day at 2 p. m., and to-night at 8 p. m., on the McCoy lot, rear of M. E. Church. The performance will consist of funny clowns, comical monkeys, music, singing, acting by horses, donkeys, ponies, dogs, &c.

PROSPECTING.

A gentleman from Milwaukee is in the city prospecting. He is a raiser of stock and is looking for a Southern location. He has visited some parts of the county and we learn he is very favorably impressed with this section. We know of no place better adapted to stock raising than Eastern Carolina, and if he travels the State over he will find no better location for him than Chowan county. We extend to the gentleman a cordial welcome.

CARD OF THANKS.

The children of Upper Main St. together with their parents return sincere thanks to Mr. W. H. Coffield and wife, and Mr. J. W. Brauning and wife, for the nice ride and bountiful lunch given them Monday last, which they will long remember.

CHILDREN.

LAST SUNDAYS WEATHER

Last Sunday was all sorts of a day. Early in the morning the sun shone bright and beautiful; before noon rain fell in torrents; at noon sunshine again; in the afternoon a heavy rain and thunder storm came up, clearing away about 4 o'clock; at about 6 o'clock a hail storm passed over sprinkling us with hail stones about the size of small marbles. At 7:30 p. m., the clouds had passed away, followed with starlight.

A NEW INDUSTRY.

Mr. W. O. Speight, who recently removed from Hertford to his farm near Edenton, has purchased the necessary machinery for the manufacture of pressed brick. The machinery is now being placed in position and Mr. Speight hopes to have some fine brick on the market in a very short time. A brick yard is something we have needed for a long time and we wish this enterprise success.

A WORTHY COLORED MAN DEAD.

Slant Skimmer, one of the best, most polite, accommodating and highly respected colored citizens of Edenton, and a popular hotel waiter, died Tuesday, the 16th, at Elizabeth City. His remains were brought to Edenton and buried yesterday by the order of Love and Charity.

THE FARMERS.

Warm, dry weather is needed to enable farmers to push ahead with their work, which is much behind. Corn planting is progressing as rapidly as circumstances will permit, and is about half finished on uplands; some corn is up. Truck crops continue promising, although some damage is reported from the hail that fell last Sunday.

MILLINERY.

Look out for the Albemarle Cash Store. They are receiving daily their spring stock of dry goods, dress goods, trimmings, shoes &c. Last but not least, their fine stock of spring millinery goods in all of its branches. We keep first class goods and at lowest prices. Miss Addie M. Beasley, of Baltimore, who is a fashionable city trimmer of experience, is with us, in charge of the millinery department, and we will be pleased to have our customers and the trade in general to call and see what we can do for them in styles and prices. We guarantee to please all. Miss Beasley comes to us highly recommended by Messrs. Armstrong Cator & Co., as one of their very best milliners, and we hope to please all who may favor us with a call and their trade. Square dealing with all, is our motto. Albemarle Cash Store.

Good Steady Customers

Those are the results you want from your advertising. It is people of this sort who read the Fisherman & Farmer read it regularly and read it thoroughly. You can keep in touch with them only by advertising in these columns. Tell them what you have to sell—they know a good thing when they see it.

Easter Monday was observed as a holiday by a great many of our people. It may not be unreasonable to remark that now is the time to subscribe. The Albemarle cash Store has just received a fine line of wash goods for ladies and summer dresses for ladies, Misses and children. Governor Elias Carr passed through here Friday last, returning from the fisheries. Easter suits had to remain indoors last Sunday, but you may look for 'em next Sunday. Mr. P. O. Petway, telegraph operator, visited Edenton last week and returned Tuesday. Where did you get your new hat? At the Albemarle cash Store, of course. They lead in style and low prices, their goods are new and pretty. The schools gave a holiday Monday in order that the children might spend the day at the fishery. Jimmy Warren, Esq., spent Sunday and Monday with his parents in this city, returning to Berkeley Tuesday. Rev. Jno. E. White will deliver the addresses at Murfreesboro and Reynoldson school exercises this year. One of the colored employees at the Pease planing mill had his finger cut off Tuesday by some of the machinery. The Albemarle cash Store on King street is the place to get the most fashionable millinery goods. They have the finest trimmer in the country, and they will sell you goods as cheap and stylish as can be bought anywhere. The cold weather continues and is most unseasonable. It is checking the growth of crops and all kinds of vegetables. The attention of our farmers is asked to the article on the eighth page of this paper headed "Small Canneries."

All of the members of Edenton Lodge No. 18, I. O. O. F., are requested to be present at next Monday night's meeting.

Our base-ball players are notified that A. J. Bateman has just received a supply of sporting goods—base balls, bats, masks, gloves, &c. Write away for your outfit when you can be supplied here at home?

The city election is being talked very little by our people. Unless some good work is done you will see what you'll see.

The attention of our truckers is called to the advertisement of John Page's Son, the reliable New York Commission House.

No prayer meeting service was held at the M. E. Church Wednesday night, the weather being too disagreeable to venture out.

The Albemarle Cash Store is the place for good shoes and domestic dry goods. If you want a big dollars worth of goods go to see them.

Mr. Frank Wood is having his residence on Water street enlarged, an addition being made on the East end of the building.

The Jewish Feast of the Passover ended Tuesday. The FISHERMAN & FARMER is indebted to a friend for a package of Passover bread.

The only case in the Mayor's court this week was two young men for fighting. One discharged, the other paid a fine and costs, amounting to nearly \$5.00.

Ladies, the Albemarle cash Store is the place for fine dress goods, trimming &c., silks suitable for shirt waist, from 30c to \$1.25 per yard.

The FISHERMAN & FARMER has been highly complimented by many of our people on its recent change and new dress, all of which we appreciate. Give us patronage and we'll give you a good paper.

It is hoped that every business man who has an interest in Edenton will secure space at once in the FISHERMAN & FARMER Trade Edition. We want the business of the town properly represented.

Grain scoops, shovels, forks, rakes, and brier hooks at reduced prices at Dixon's.

It is evidently too early to go fishing with hook and line. A certain young man went out Monday, lost a half-a-day's time, paid a colored boy 25 cents to row the boat, and came home with three little perch not as long as a postal card. Another gentleman brought home a bunch of "cats" and sold them for 8 cents.

A. J. Bateman has opened his Soda Fountain and Milk Shake, the first of the season; call and try a fresh cold drink, only five cents.

In the rush for Spring costumes by the ladies you may have noticed that our advertisers are doing the business. This is as it should be. The merchant who appreciates your trade enough to keep you informed of all the new arrivals in dress goods, &c. should have your patronage, other things being equal.

Now the finest of all is our complete line of fine Millinery Goods.

Castoria. "Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children." Dr. G. C. OSGOOD, Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves." DR. J. F. KINCHELOE, Conway, Ark.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it." UNITED HOSPITAL AND DISPENSARY, Boston, Mass.
