COUNTY NEWS.

WARWICK
The picnic that Warwick
Sunday school gave July 4th was
a grand success and a large
crowd attended.

WARWICK
Warwick High School will
open the second Monday in Aug-
ust, with Miss Lima James in
charge.

WARWICK
The young people in this sec-
tion have a debating society at
Hobbsville, N. C., which meets
every Tuesday night.

WARWICK
The writer is glad to state
that the little boy of Mr Spivey
is improving.

WARWICK
Miss Georgia Ward made a
pleasant visit to her sister, Mrs.
Spivey, Sunday last.

WARWICK
An Unpleasant Experience With
a Servant from Edenton.

WARWICK
Rev. Jas. A. Harold, who re-
sides at 1758 Oregon avenue,
complained to the police yester-
day that some one had stolen
silk and fancy goods from his
house to the value of \$75; taken
at different times. He suspected
Mary Gordon, a colored girl who
had been in his employ for some
time. The other morning Dr.
Harold noticed that the coffee
did not taste as usual, and the
next day noticed that same bad
taste again. He did not drink
the coffee, but sent some of it to
a chemist, who, the police say,
pronounced the coffee poisoned.

WARWICK
The girl, who is nineteen years
of age, was arrested and locked
up at the eighth precinct. The
charge against her, however, is
suspicion of larceny. After her
arrest the girl said that she put
soap soft soap newly made from
concentrated lye in the coffee
but did not want to kill anyone,
only wanted to make them sick.

WARWICK
The above is taken from a
Philadelphia paper, and the girl
referred to is Mary Carrelia Gor-
don of this place. She has since
returned to Edenton, and we ad-
vise housekeepers who employ
servants to be very careful whom
they should secure.

WARWICK
NEW TAX COLLECTOR.

WARWICK
Last Friday the city council
men appointed Mr. R. F. Ches-
ne tax collector for the town of
Edenton. It being unconstitutional
for a person to hold two
offices in the State of North Car-
olina, and the councilmen being
so advised by the city attorney,
it was decided that Mr. Spruill,
chief of police, could no longer
act as police and collector.

WARWICK
In the selection of Mr. Ches-
ne the councilmen have made
no mistake; in fact, a better col-
lector could not have been cho-
sen. He will come as near get-
ting the taxes as anyone that
could have been appointed.

WARWICK
To prevent pale and delicate children
from lapsing into chronic invalids later
in life, they should take Ayer's Sarsa-
parilla together with plenty of whole-
some food and outdoor exercise.
What they need to build up the system
is good red blood.

WARWICK
The Excursion.

WARWICK
The excursion last Saturday
night to Nag's Head on steamer
Olive was in every way a grand
success. About 250 people were
on board and a more orderly,
genteel crowd could not have
been selected. The charter
party and crew of boat did all in
their power to make it a pleas-
ant trip and they surely succeed-
ed in doing so; at least everybody
so expressed themselves.

WARWICK
Married.

WARWICK
Mr. Walter Miller, clerk in the
store of J. E. Bonner, and Miss
Hattie Holmes, daughter of W.
D. Holmes, a prominent farmer
of this city, were married on
the 3rd at Hertford.

The State Agricultural and Mechanical College is rapidly growing in public favor. Last year, though only six years old, the College enrolled two hundred and forty students. This is, we believe, a more rapid growth than any other institution in the State has ever made. Its announcement appears in this issue.

The advance in leather has obliged manufacturers to make a corresponding advance in the price of shoes, with probably, the only exception of W. L. Douglas, who, notwithstanding the high price of leather, will continue at the old prices, and give a better shoe than ever before. The recent additions to his already large factory, makes his plant the largest in the world devoted to manufacturing an exclusive line of shoes.

Do not be misled, we are here to stay, and hope to do our share of the millinery business. Our lady, who has given such satisfaction as a trianer, will soon leave for her summer vacation and those who may wish her services had better call this week. Well Satisfied with

Ayer's Hair Vigor.

"Nearly forty years ago, after some weeks of sickness, my hair turned gray. I began using Ayer's Hair Vigor, and was so well satisfied with the results that I have never tried any other kind of dressing. It requires only an occasional application of

AYER'S Hair Vigor to keep my hair of good color, to remove dandruff, to heal itching humors, and prevent the hair from falling out. I never hesitate to recommend Ayer's medicine to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Dr. H. Pitcher is on every wrapper.

Children Cry for Pitcher's Castoria.
