The list of jurors for the Fall Term of Chowan Superior court was drawn by the commissioners Monday, which will be found on the first page of this paper.

Mr. R. Z. White, of Jacksonville, N. C., spent last Sunday in this city with his father and sisters, leaving Monday on a trip to New York and Philadelphia. IS LIFE SAFE? Not without Baldy's Cholera Cure. Never known to fail in the cure of Dysentery, Cholera Morbus, Get a bottle and keep for use. We guarantee every bottle. James Baldy & Son proprietors, Baltimore, Md., at Leary's.

We learn that the Albemarle Steam Navigation Co.'s steamer Keystone has gone off to be rebuilt. When she returns it is said she will compare with any running in these waters. Progress is born of experience, and no place has yet been suggested where so much experience can be had in so short a time and for so little expense as at the Edenton Fair.

Weeds and grass have been allowed to grow up several feet high on some of the lots about town. This is not very attractive to strangers and we hope the city authorities will have same removed. Have you heard Dixon? Haven't? Well, go and hear him at Rea's Opera House, on Monday night, Nov. 9th. He will deliver his celebrated lecture: "The Gates of Heaven and Hell in Modern Babylon."

An advertisement in the FISHERMAN & FARMER is a little thing, but it goes into hundreds of homes and tells thousands of people just what you most wish them to hear. If the ad. is an honest ad. it will always pay. Cards are out announcing the marriage of Miss Grace, daughter of Rev. and Mrs. P. W. Melick, and a popular young lady of E. City, to Dr. Lemuel S. Blades, Wednesday afternoon, Sept. 18th, at 2 o'clock, E. City, N. C.

The man and woman in the Moon must have been love-making Tuesday night. They "pulled down the blinds" and put the Moon in eclipse from 10 o'clock till 4 in the morning. From a little after midnight until 2 o'clock it was in total eclipse.

The many friends in Edenton of Miss Grace Wilkins, who taught the Elocution class at the Academy last session, will doubtless be delighted to learn that she has again been employed to conduct that department during the coming session, which begins on the 16th inst. Business men, we are reaching the people of this county and adjoining counties. Our subscription books are open for inspection. Now is the time to put in your Fall advertisement, if you wish to let the people know what you are doing and expect to do, and you wish to have our readers trade with you.

Hertford Courier: We are reliably informed that on the land belonging to Mr. J. M. Forehand, in Chowan county, is a large bed of marl, which he has been selling to his neighbors. One of the men while digging out the marl came in contact with an old brick cellar, the brick of which are said to be larger than ours, and a much better quality. In the bottom of the cellar he found a silver spoon and a silver knife and fork. Who built the cellar, and where did this silverware come from is a mystery to solve.

Card of Thanks: The members of the Edenton Base-Ball Club wish to thank the people of Edenton (through the columns of the FISHERMAN & FARMER) for the kind support given our team during the past season. And we also wish to express our gratitude to Mr. F. A. White, proprietor of the Bay View Hotel for the many kindnesses shown by him to our own and visiting clubs. We will try to show our gratitude next season by playing better ball than we did this.

OUR FUTURE CHAMPIONS. The Festive "Kids' Play" Three Games With Hertford. EDENTON WINS ALL.

BOTH TEAMS WERE MADE UP OF SMALL BOYS, BUT THEY PLAY GOOD BALL AND THE GAMES WERE VERY INTERESTING. The small boys of Edenton played a nice game of ball with the small boys of this town Monday. A crowd of spectators were on the grounds and took a great deal of interest in the game. Owing to a mistake in the umpire, in the last innings for our boys, the score stood 14 to 17 in favor of Edenton, with another inning for Edenton. Both teams played good ball.—Hertford Courier.

On Wednesday the Hertford boys came to Edenton prepared to take two games from the "Kids," but missed it slightly. The first game, played on Wednesday evening, resulted in a score of 15 to 23 in favor of Edenton.

The second game here, played Thursday morning, resulted in a score of Hertford 4, Edenton 27. Both teams played very good ball, and the games were quite interesting. "Peck" Hooper pitched for the Kids and his "curves," "inshoots" and "dewdrops" were wonderful to behold.

CASTORIA

for Infants and Children. MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine? Do You Know that opium and morphine are stupefying narcotic poisons? Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons? Do You Know that you should not permit any medicine to be given your child unless your physician know of what it is composed? Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle? Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher? That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined? Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense? Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless? Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose? Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest? Well, these things are worth knowing. They are facts. The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.
