**The Closer You Probe**

into the surpassing worth of every Article we show you in our Magnificent Display at the Fair the quicker you will see that our prices are the lowest and that they are identified only with meritorious merchandise. Then there is a delightful freshness about the stock that appeals no less to the eye than the price does to the purse. There is no need to dwell on the merits of our goods—let it suffice for us to say that never before have we been able to sell for so small a price.

**New Trial Granted.**

Among the opinions filed Tuesday by the Supreme Court at Raleigh is the case of Wool vs. town of Edenton. A new trial is granted.

In the cast of "A Breezy Time" which will appear at Rex's Opera House on Friday, Oct. 18th, there are five Comedians and four Comedienues. The principals are E. B. Fitz and Kathryn Webster. A great deal of original and tuneful music has been composed specially for the production. "A Breezy Time" is a veritable mint of mirth, and it depends for success on legitimate ability on the part of the performers rather than upon "suggestiveness." Fitz and Webster have added many new and original features this season worthy of note.
