ELIZABETH CITY, July 10th, 1896.

DEMOCRATIC NOMINEES

- For Governor: CYRUS B. WATSON, of Forsyth. For Lieutenant Governor: THOMAS W. MASON, of Northampton.

DEMOCRATIC CONVENTION.

The battle of the giants has waged furiously at Chicago during the past few days, and the fight over the white and yellow medals has been hot and heavy.

Col. Jule Carr, who was prominently mentioned for the nomination of Governor and who declined to allow his name to go before the convention, is quoted as saying of the Democratic ticket: "I will give the ticket loyal, hearty and uncompromising support. I will work for it earnestly and ardently. No mistake was made in naming the men on it. If we can't win this ticket there is no use fighting. There is no weak spot on it."

The North Carolina Press Association will meet in Wilmington this year on the 15th and 16th of July, and the prospects are that the attendance will be large and the session a delightful one.

A Quiet Fourth.

The glorious Fourth passed off very quietly in Elizabeth City this year. But for young America and the fire cracker being very much in evidence one would scarcely have known it was a holiday.

Forged a Check.

Frank P. Monroe, a well dressed young man, who claimed to hail from Boston, Mass, but who came here from Norfolk, where he left an unenviable reputation, was arrested Monday night for passing a forged check on McCabe & Grice. The check was for \$10.00, drawn in favor of himself and signed by Joseph Tyler Allyn, of Norfolk.

Marriage at Wilmington, Del.

The Morning News, at Wilmington, D. I., of the 25th ulto., gives a splendid description of the pretty home wedding of Miss Florence Bell and Robert Wier, which took place Wednesday evening at the home of the bride's parents, Mr. and Mrs. Jerome B. Bell, in that city.

A Curious Telegram.

A Norfolk trucker received the following telegram from New York: "Potatoes dead, cucumbers dying and cantaloupes are going to their funeral. Don't ship."

Money to Loan.

A party has placed with me several thousand dollars to be loaned, in large or small amounts, secured by city real estate. Apply to R. J. MITCHELL.

NAG'S HEAD BULLETIN.

First daily boat begins July 1st—Str. Newberne. First Excursion July 14th—Methodist Sunday School. Second Excursion July 21st—Baptist Sunday School.

Modern Dredges to be Used.

The Portsmouth Star, of the 7th says: "Mr. Wynn, one of the contractors for widening and improving the Dismal Swamp Canal, arrived from Philadelphia this morning, where he has been for several days in connection with the building of three big dredges, which will be used in the canal. The dredges will be of a new patent, and will have a large capacity. They are expected to be completed between July 20th and 25th."

TYRRELL COUNTY FAIR.

Some sailors found several kegs of powder which had been washed up from a wreck in Albenmarie Sound, and put them in a fish house built on piles over the water near the mouth of the Alligator river in Tyrrell county, to dry.

Chapter I.

Some sailors found several kegs of powder which had been washed up from a wreck in Albenmarie Sound, and put them in a fish house built on piles over the water near the mouth of the Alligator river in Tyrrell county, to dry.

Chapter II.

Jones Spencer, seeing the powder yesterday, and being desirous of knowing whether it would burn, lit a match and threw it into the contents of an emptied keg, and then lay down and went to sleep.

Chapter III.

The powder burned. The house is strewn over a watery waste. Jones flew without the assistance of wings, minus clothes, and with but little skin. He is in a precarious condition, and according to the doctors will alight in another world where wings may or may not be needed. Finis.

Well Satisfied with Ayer's Hair Vigor.

"Nearly forty years ago, after some weeks of sickness, my hair turned gray. I began using Ayer's Hair Vigor, and was so well satisfied with the results that I have never tried any other kind of dressing. It requires only an occasional application of

AYER'S Hair Vigor

Hair Vigor to keep my hair of good color, to remove dandruff, to heal itching humors, and prevent the hair from falling out. I never hesitate to recommend Ayer's medicine to my friends."—Mrs. H. M. HAIGHT, Avoca, Nebr.
