Bryan's Hopes of New York.

AN ARMY OF SILVER ORATORS TO BE SENT INTO THE STATE.

The tour of Mr. Bryan in New York State is but the precursor of a movement to carry the State for silver, according to information supplied by men closely connected with the Democratic management. It is declared the success experienced by Bryan in drawing crowds in New York has encouraged the leaders to believe there is a strong silver needs only the moving power of campaign oratory to blossom forth into free silver votes in

The statement is made that Senator Faulkner's recent trip to Chicago was for the purpose of arranging with Chairman Jones, of the National Committee, for the Board of Agriculture, while an organized invasion of New cago candidates and platform

Mr. Bryan is said to have become convinced that rural New York favors free silver and his As defined by some one the advice, it is asserted, has had two cardinal principles of busi- much to do with the determinas ness success are confidence in tion of the silver readers to send your situation and judicious ad- speakers into the State to make an aggressive fight.
