Story of a Peculiar Transaction of Two Mountaineers.

A rather unique and startling state of affairs was revealed in a case in court in Mitchell county N., C., recently. Some parties were arraigned on a charge of fornication and adultery, and it turned out that while in a sense they may have been guilty, in mother they were innocent. The evidence showed that merely the trading liberty of the mountains had been exercised, and that the parties involved had considered it a matter of no consequence to the public. A TERRIBLE FIGHT.

A Mad Cat Siezes a Girl's An kle, but is Finally Killed. Patient Will go to New York for Treatment.

A wild night and a terrible scene was that enacted at the home of Alina Simpson, on Friday night.

It seems that Miss Simpson, who is a young girl employed at the Klermont Knitting Mills, in this city, arose during the night and wanting a drink of water, went down stairs to get one. In the darkness, the girl accidently stepped upon the house cat, which became enraged, and siezed the girl by the ankle, sinking its teeth deep into the flesh.

The girl's screams aroused her DAVENPORT, MORRIS mother who came to the rescue, and attempted to pry the cat's mouth open so as to release the Wholesale Grocers and Comgirl from the animal's teeth. This proved impossible, and it was only after the mother had secured a stone and beaten the cat's head so that it was killed, that the girl was released.
