The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarth Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any cuse that it fails to cure. Send for list of Testi-

THE POWER OF SONG

Song can Cheer the Hopeless as Nothing on Earth Can.

Music is the gift of God. He created the angels at some remote period in the past and then gave them the power of song. Of who of us would not be glad to slip aside the curtains of glory and hear the angels sing, as they to step upon the rostrum of the skies by the throne of God and from their music-making lips

But we cannot hear the angels ing it. So we must be content on earth with making and receiving the power of song, the music made by the melodious Wholesale Grocers and Comchords of the human voice.
