containing those Southern Roots and Herbs which as all wise Providence has placed in countries where liver Diseases most prevail. It will ourse all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter and street in the Board of the liver and Bowels.

Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stormach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which aught to have been done; Dehllity; Low Spirits; a thick, yellow appearance of the Skin and kyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few: but the Liver, the largest organ in the body, is generally the seat of the disease, and if not Regulated in time, great suffering, wretchedeness and DEATH will ensue.

The following highly-esteemed persons attest to the witues of Simmons Liver Regulator; Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Masterson, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us. — Eb.
