Very few people in Elizabeth City, know that a stock company has recently been organis zed here with capital to the amount of fifty thousand dollars, to be invested in manufacturing enterprises. But such, we learn,

is the fact. A few days ago Mr. E. R. Wixon, of Providence, R. I. came South with several thousand dollars to invest in Southern enterprises. Having secur ed a through ticket, over the N. & S. Railroad, he gave Elizaabeth City the go-by and went to Edenton and there remained several days. On his return trip Mr. Wixon stopped to take ton. a peep at us, and was in the city scarcely a day before he ily, spent Sunday in Elizabeth powers, would cause trouble for had become favorably impressed City. with our town and people. He was met by one of our most progressive citizens, Mr. N. R. Zimmerman, who delighted in showing him our town and country. 'Among the many things pointed out to the visitor was the little mill on Poindexter street known as the Cot. ton Mills Supply Company. Knowing the demand for its product he became interested, purchased stock and organized a company with \$50,000 capital.
