PURELY VEGETABLE, all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Howels.

The SYMPTOMS of Liver Complaint are a bitter or had taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which aught to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Lyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body, is generally the seat of the disease. ed in time, great suffering, wretch-
