PENNIES.

Chicago Saloonkeeper Who Col lects Thousands of Copper Cents Yearly.

There is a Polish saloonkeeper in Chicago who believes in taking care of the pennies Every copper cent that comes over his bar is put away for a year, and at the end of the twelfth month it is quite a job to count them. The copper accretions took four men several hours to so. As to his other privilages a by Senator Quay occupy nearly count them and a beer wagon to great deal depends on his own four pages, and, strange as it carry them to bank. The name of this penny-saving (hicagoan is Frank X. Ryzdewski, and treats both generally as they deson one day, March 18, 1899 four years ago he began to put away the pennies that crossed is granted. his bar. He doesn't remember how many were taken in in 18-96, but the amount was start. ling. Those were hard times. Pen nies were scarce. In '97 he saved some 30,000 of them; in '98, 37,000, and in '99 he broke the record with 42 000. With these, according to the ancient poetical quotations, he could purchase the thoughts of nearly all the inhabitants of South

Chicago. Kyzdeski's penny receptacle is a wooden box that formerly but you can take it and dicontained the juice of old Kentucky. Through a slit in the cover he drops the change of a nickle, and when the box is full, as it was on New Year's Day, a man must be pretty strong that you are losing ground and can raise it clear of the floor.

Among the coins Ryzdewski has picked during his fourteen years' residence in this country are specimens of the miutage of We manufacture all kinds of a score of Governments.
