

FISHERMAN & FARMER

BY
A. H. MITCHELL
Entered at the Post Office at Elizabeth City, N. C., as second class matter.
ELIZABETH CITY, Jan. 26, 1900.

Beginning with this year, all clocks in France are to be run on the twenty-four hour division. The hour of 24 is midnight and the hour 1 is the first hour following. What formerly was 1 p. m. is now 13 o'clock, a most unlucky hour, presumably, and if one is going to a theater matinee a 2:15 p. m. by the new method, he will go at 14:15. The ordinary evening dinner will be between 18 and 19 o'clock, and he who retires early will go to bed about 23 o'clock. Whether the new system will be popular or not remains to be seen, though it has been satisfactorily used by some continental railroads for a few years.

Rocky Hock.
The farmers are making a fair return for the ensuing year. The people are nearly through with the hogs in Rocky Hock for the season.
Mr. O. C. Perry who has been very sick with the pneumonia for the last two weeks is improving very fast.
George Jones is very sick with the pneumonia.
Mr. John W. White is very bad off with a carbuncle on his arm and hasn't been able to do any thing in two weeks.
Mr. Dollie Freeman from Colorado is visiting his friends in Rocky Hock the latter part of last week.
Misses Mary and Maggie Byrum and Miss Lucy Leary were the guests of Miss Georgie Bond last Saturday night.

MANTED.
J. W. Evans and T. S. Meekins went to E. City on business last Saturday.
S. C. Gray, of Sk. Co., made a business trip to Norfolk and Chowan county, last week.
Mr. Barber and a friend of his from Georgetown, S. C. are stopping at the Tranquil House for a few days sport.
Mr. E. N. Ankettell chartered the Schooner Manie Carlis, last week and went to Norfolk to get his furniture for his new home.

On Wednesday evening at 8 o'clock, the M. B. church at this place was the scene of a very pretty marriage; the contracting parties being Miss Sylvia Brown and Mr. B. H. Davis. The church was beautifully decorated in evergreens and potted plants. Promptly at 8 o'clock, Mr. Joe Callahan, of Baltimore began playing the wedding march, when Messrs. R. B. Etheridge and M. Etheridge came in on one side, and Messrs. Sarah Bann and Ella Creed on the other; they met at the altar, and Miss Bann crossed over to Mr. R. B. Etheridge, as Miss Creed crossed over to Mr. M. Etheridge. Then followed the bride on the arm of her maid of honor, Miss Bettie Sawyer, and were met at the altar by the groom and his best man, Mr. T. R. Creed, Rev. J. J. Barker performed the ceremony and made them one; Mr. Callahan very beautifully rendered "Loves Old Sweet Song" during the ceremony. The bride was very becomingly attired in white organdy, also her two waiters, the maid of honor in pale blue organdy and satin. The gentlemen wore evening suits. After the ceremony and congratulations of the preacher, the bridal party marched out to the strains of "Marching on Wedding March" and were driven to the home of Mrs. B. H. Creed's, sister of the groom, where a reception was held and a sumptuous repast treated the many relatives and friends of the bride and groom. Mr. and Mrs. Davis will reside at Wanchese. We wish them much happiness and success through life.

The co-partnership heretofore existing between Sawyer & Jones has this day dissolved by mutual consent. Mr. Thos. C. Jones retiring. All persons indebted to the said firm will settle their accounts and notes with John L. Sawyer & Co., who are authorized to collect and receipt for same.

Mr. Charles Weymouth died at his home on the corner of Road and Burgess streets Saturday evening at 6 o'clock, of consumption. Mr. Weymouth was about thirty years of age, and as he had been in declining health for a number of years, his death was not unexpected. The funeral services were conducted at the home of the deceased Monday afternoon at 3 o'clock, and the remains were interred in the family burying ground, about one mile from town.
The deceased was highly esteemed by all who knew him best, and notwithstanding his suffering was of a cheerful disposition, with a warm heart and generous nature. He leaves a wife and other relatives to whom we extend our sympathy.
Rev. J. F. Tuttle Dead.
It is with sadness we announce the death of Rev. J. F. Tuttle, who departed this life in this town Wednesday night, having located here only about 2 months ago. Aged 56 years, 9 months and two days. Mr. Tuttle had been a minister of the Gospel for a number of years and at one time was pastor of the Baptist church of this city. He was beloved by all who knew him, for his sunny smile and pleasant conversation wherever he went. If he had care and trouble he did not believe in burdening others with them. To him the good things of this life far out numbered the bad, the joys were greater than the sorrows. An affectionate husband and loving father he will be sadly missed. A good citizen, a true man and sincere friend, a genial, golden hearted Christian gentleman the world is better for his having lived in it.
His remains were carried to Edenton for interment, escorted by his family, who had come to be at his bed-side during his last hours.

"Only the Scars Remain,"
Says HENRY HUDSON, of the James Smith Woolen Machinery Co., Philadelphia, Pa., who certifies as follows:
"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc., none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old Mother Urged Me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the good Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."

The Best Medicine.
J. O. WILSON, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:
"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely and permanently cured by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colic. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."
"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other Pills I ever sold."—J. J. FERRY, Sulphur Springs, S. C., Va.

IN BUYING PEAS.
You can make two very serious mistakes—you can put price first in consideration, or you can let your convenience decide the question as to where you get the seed upon which your crop depends.
Don't make either of these mistakes, for they are really unexcusable. Writing to us may be a little trouble, but it's the sort of trouble that saves trouble in the long run; and saving in the cost of seeds is often as everybody knows the poorest kind of economy.
You cannot afford not to have the best of early peas no matter if the cost is a little more, or if you have to take a little trouble to get them.
Tait's Extra Early Nonpareil and Tait's Extra Early Depot are the two best peas in cultivation. If you think this statement too strong, too "store-talky," ask the Experiment Station of your State what the record of these peas has been in every competitive test. We can prove they are the best. The price this season will be 35¢ per bushel for cash orders.

He gladly testifies to the merit of Hood's Sarsaparilla what he says is worthy of all brain workers find it peculiarly adapted. Every day strengthens the belief of eminent physicians that impure blood is the cause of the majority of our diseases.
