McCABE & GRICE'S

Annual Clearance Sale!

Will commence January 8th. Stock must be reduced to make room for the coming Spring goods.

Brooklyn Bridge would fall were it not for the anchorage that holds it to the shores deep down—the something back of it that makes for strength and endurance. Foundations are necessary for structures, and for business they are to depend upon the support of sensible people. The modern store of McCabe & Grice belongs to its public. It is anchored to your regard by the four strand cable of right fixed prices, right qualities, careful service and one price to all! For this sale we have cut the prices in nearly every department.
