

FISHERMAN & FARMER

BY
A. H. MITCHELL.

Entered at the Post Office at Elizabeth City, N. C., as second class matter.

ELIZABETH CITY, July 6, 1900.

FOR SALE.

On account of very bad health and acting upon the advice of my physician I have decided to offer the entire FISHERMAN AND FARMER plant for sale.

In the office is one large eight column Potter Cylinder Press, two good job presses, an immense quantity of newspaper type, nearly one hundred fonts of job type, some of them of the very latest styles made, four large stones, paper cutter, galleys &c., &c., in fact every thing usually found in a first class printing office. The newspaper has a good circulation and a splendid advertising patronage, and the job department is always busy.

Will sell at a sacrifice on good easy terms.

Respectfully,
A. H. MITCHELL.

BIG SALE OF LAND.

Mr. J. B. Andrews Jr. will sell almost all of Dare County. (Wilmington Dispatch)

The most interesting feature of today's session of the United States Circuit Court was the handing down by Judge Purnell of a decree for the sale of land in Dare county. There are 150,000 acres in dispute and it is said that the sale will be the largest land sale ever made in this State. The land has been in the courts for the last five or six years. The decree follows: United States of America, Eastern District of North Carolina, in the Circuit Court in equity: East Coast Cedar Company vs. People's Bank of Buffalo, N. Y.; American Exchange Bank of Buffalo; W. A. Ensign and Charles A. Ensign, trading as W. A. Ensign & Son; M. H. Brown, Bank of Commerce, in Buffalo, N. Y.; by Henry H. Parsons and John R. Hazell, receivers, and the Phoenix National Bank of New York, defendants.

This cause coming on to be heard, and being heard on the depositions and other proofs, after argument by counsel both for petitioners and defendants it is now considered, adjudged and decreed:

- (1) That the land described in the petition cannot be actually divided without great expense and injury to the tenant in common interested.
- (2) That said land be sold at public auction, at the court

house in Manteo, Dare county, N. C., after advertising the same for thirty days in some newspaper published at Raleigh, Norfolk, Baltimore, New York and Elizabeth City, said land may, if the commissioner herein named deem the same feasible, be divided into five lots, by taking the natural and established points on Alligator River to the natural marks on the opposite boundary and estimating the area of such lots. That, after selling or offering said lands for sale, in lots as aforesaid, the commissioner shall offer said land as an entirety; and report both sales, as in lots and as an entirety. Parties bidding for said land shall, within ten days, deposit in the registry of this court, —per cent of the bid made for a lot, or the whole of said land, or a certified check for such amount.

That A. B. Andrews, Jr., Esq., of Raleigh, be and is hereby appointed commissioner to execute this order and decree. This cause is held for further orders.

THOS. R. PURNELL,
U. S. Judge, etc.

June 28th, 1900.

This is the same property that has been in a levy litigation in the courts of N. C., between the Buffalo City Mills and these Banks, who held mortgages upon the same for over one hundred thousand dollars. Andrew Brown the bankrupt lumberman, of 25 Whitehall street, New York City has been manipulating this property for a number of years past. This is a great legal victory for the attorneys who represent these banks who are represented by Messrs Pruden & Pruden, of Edenton, Sheperd & Busbee, of Raleigh, Norris Morey, of Eufalo, N. Y. over F. H. Busbee and E. F. Aydlett of counsel for the East Coast Cedar Co., or Buffalo City Mills:

Andrew Brown went into voluntary bankruptcy for \$85,800 in the U. S. court at Trenton N. J. and his discharge is now being contested by these banks and other creditors on the grounds of failure to disclose all his property interests, they claiming he is the virtual owner of the East Coast Cedar Co. or Buffalo City Mills in North Carolina.

Street Incident.

"My Dear Sir," exclaimed Lawyer Bartholomew Livingston, meeting the Rev. Dr. Archibald Windham on the village street, "What does this mean? I thought you were laid up with all sorts of bad diseases!"

"And so I was," replied the reverend gentleman, "I had an attack of indigestion and from that time on my whole system has been in a disordered condition until I began taking Hood's Sarsaparilla which has put me on my feet and cured all my stomach troubles."

"I don't doubt it," said the lawyer. "This same medicine cured my wife of rheumatism and my little girl of scrofula. When they say it's the best medicine money can buy, they only tell the truth."

"Yes, yes, so they do," replied the minister, and the two passed on.

A Night of Terror.

"Awful anxiety was felt for the widow of the late General Burnham of Machias, Me., when the doctors said she could not live till morning" writes Mrs. S. H. Lincoln, who attended her that fearful night. "All thought she must soon die from Pneumonia, but she begged for Dr. King's New Discovery, saying it had more than once saved her life, and had cured her of Consumption. After three small doses she slept easily all night, and its further use completely cured her." This marvelous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at Standard Pharmacy.

The mighty flood that rolls its torrents to the main, Can ne'er recall its waters lost From that abyss again! So days, and years, and time, Descending down to night, Can thenetorth, nevermore return Back to the sphere of light. And man when in the grave, Can never quit his gloom. Until the eteral morn shall wake The slumber of the tomb. Oh! may I find in death, A hiding place with God, Secure from woe and sin; Till call'd to share his blest abode. EZEKIEL GILMAN.

Residents of this and adjoining counties will learn with regret of the death of Mr. Ezekiel Gilman, of this place.

Mr. Gilman was probably one of the best known citizens of Currituck county.

He was born in Newburyport, Mass., but removed to North Carolina at an early age.

For many years he taught school in the counties of Pasquotank, Camden and Currituck, and many of our most prominent citizens today were his pupils.

He was a graduate of Harvard College, Cambridge, Mass., and at the time of his death was probably the oldest living graduate of that celebrated institution.

For the past few years Mr. Gilman has been unable to teach owing to a slight defect in his hearing, but he retained the use of nearly all of his faculties up to his death.

Mr. Gilman was always interested in any question of public policy and in a conversation held with the writer a few weeks ago showed he was fully abreast of the times, by discussing vigorously the new State amendment and the foreign policy of our government.

He was a singularly well posted man.

Mr. Gilman passed away in the 83rd year of his age and he will certainly be missed by his many friends.
