E. STEVENSON.

SALUTATORY.

This paper has recently changed hands. It is now under entirely new management. olis of North Eastern North delegates to the Annual Confer-We deem it meet and proper, Carolina. She is destined to ence at Newberne. therefore, to give a short outline of the policy we intend to fol low; to speak briefly of the motives, aims and purposes by triumph has come. which we shall be actuated in our journalistic labors.

First of all we shall endeavor to give to the public a bright, attractive, newsy, up to-date employees are attentive to the paper. Its pages shall be clean, public as well as careful in the Saturday morning-and now its utterances free from moral performance of their duties. taint, its influence elevating and refining. No effort will be spared to make it a welcome putting us in touch with one of visitor to the humblest and most the greatest systems of the unpretentious home as well as country so that North, South, to the charmed circle of the East and West are brought to Sunday night with an able sermore highly cultured.

conservator of ALL the interests us to realize the tremendous ad of the community. Its powers vantages that great trunk sysshall be given unremittingly to the promotion of the mercantile, commercial, industrial, educational, moral, religious and agricultural life of this entire section.

We shall attempt to make it a ready and trust-worthy medium through which the business men of our beautiful and pro- corn and plenty as well as the pleasure. All too soon we were gressive city may easily reach products of the sea. the throbbing life of the surrounding country.

the upbuilding of our city, for the the well-being of all. welfare of our country homes, for the betterment of our beloved here to Suffolk. Let's have it State.

We shall not be the mouthpiece of any ring, clique, or faction. We shall try to represent the great body of the people.

Politically we are Democratic. We are not boss-ridden, nor hide-bound; neither do we know it all. We shall advocate pure Democratic principles vigorously and FEARLESSLY; but not dogmattically and insultingly.

With this brief and imperfect presentation of our policy we respectfully ask a liberal support; promising to put forth our very best efforts to merit, not only your patronage, but your esteem and confidence.

A MEMORABLE STRUGGLE.

As we go to press the terrific battle of the ballots is raging furiously. The contending hosts are desperately in earnest. Evs Standard Pharmacy. ery advantage is being fought for with heroic determination. And well may it be so. For a well known and gifted Metho. Saturday night never since North Carolina laid dist preacher, native of North | Miss Jennie Midgett was the aside her swaddling-bands and Carolina, but now a pastor in guest of Miss Maggie Hughes Would cause great discomfort stepped forth in resplendent beauty to take her position in the bright galaxy of states has she been confronted by so grave about twenty feet distant, and an issuc.

True she stood the storm and stress and terrible shock of revolutionary struggle. True the scorching, blasting fires and crimson billows of civil strife swept over her like a cyclonic to save your life and that is Friday night very pleasantly blast leaving in its wake wreck, and ruin and ghastly death. But the one was to throw off the by her doctor after vainly trying with his friend, George Cox. tyrannical yoke of a foreign to cure her of a frightful case power; the other was for the of stomach trouble and yellow maintenance of Constitutional rights.

Now we are struggling for a right dearer, more sacred than it, took seven bottles, was whol the Methodist ladies, at the those guaranteed by our consti- ly cured, avoided surgeon's residence of Mrs. T. G. Gordon, tutions; a right inwrought into knife, now weighs more and on the 19th of July, was a grand the very texture and fibre of our being by the hand of God Himself; a right attested by all the and never disappoints.
