WHEN YOU BUY TURNIP SEEDS
at the most convenient country or village, it is possible that you may get seeds of fine stock and germination, but—has your experience shown that it is likely?
Do you buy seeds from general merchandise stores because you believe that they have the best, or is it because you forget to order them from seedsmen in time, or find letter writing too much trouble? Nobody buys seeds at second or third hand except as a result of forgetfulness or indifference, and if you have been getting yours that way, it is time you were making a change.
It's folly to risk your crops in that fashion. We will sell you "thoroughbred Turnip Seeds" at fifty cents per lb. and deliver them free at your post or express office.

Bank
President Isaac Lewis of Sabina, Ohio, is highly respected all through that section. He has lived in Clinton Co. 25 years, and has been president of the Sabina Bank 20 years. He gladly testifies to the merit of Hood's Sarsaparilla, and what he says is worthy attention. All brain workers find Hood's Sarsaparilla peculiarly adapted to their needs. It makes pure, rich, red blood, and from this comes normal, bodily and digestive strength.
"I am glad to say that Hood's Sarsaparilla is a very good medicine, especially as a blood purifier. It has done me good many times. For several years I suffered greatly with pains of

Neuralgia
in one eye and about my temples, especially at night when I had been having a hard day of physical and mental labor. I took many remedies but found help only in Hood's Sarsaparilla which cured me of rheumatism, neuralgia and headache. Hood's Sarsaparilla has proved itself a true friend. I also take Hood's Pills to keep my bowels regular, and like the pills very much." **ISAAC LEWIS, Sabina, Ohio.**
