Good News For Our Readers.

Who have scrofula taints in their blood, and who has not? Scrofula in all its forms is cured by Hood's Sarsaparilla which thoroughly purifies the blood. This disease, which frequently appears in children, is greatly to be dreaded. It is most likely to affect the glands of neck, which become enlarged, eruptions appear on the head and face, and the eyes are frequently affected. Upon its first appearance, perhaps in slight eruptions or pimples, scrofula should be entirely eradicated from the system by a thorough course of Hood's Sarsaparilla to prevent all the painful and sickening consequences of running scrofula sores which drain the system, sap the strength and make existence utterly wretched.

DEAN-GREENLEAF.

The marriage of Catherine Anna Greenleaf to Charles Adolphus Dean was solemnized at the home of the bride on Main street, Tuesday, Oct. 16th, at 2 o'clock. The ceremony was performed by Rev. L. L. The bride attired in a tailor made gown of green broad-cloth entered the room on the arm of her father preceded by her sister, the maid of honor, Miss Gertrude Greenleaf, who wore a tan tailor made gown. Mr. Dean was attended by Mr. H. Tyler Smith. The ushers were Messrs Logan Old, Camden Melick and C. W. Burrus. The presents were both numerous and handsome. The large company assembled attested to the popularity of both bride and groom.

Hello Again!

This is the second time this season that we have saluted you. It was to the ladies before, now it is to the men. Who are you going to vote for? The Democratic party promises the working man \$5.00 per day and the Republicans promise them a full dinner pail and a bank account.

But my good man, we're not politicians, we're clothing men, and the election don't seem to bother us. We are prepared to welcome back again the grand old hard times; and, to be candid with you, the prosperous times suit us. You've read and heard of us before. Have you anything against us? If so, we would like to know it, as we make all grievances right with our patrons when we are in the wrong through an oversight or accident on our part. You no doubt read lots of advertisements, offering big inducements on paper but, it often ends there. Have you tried us? Hundreds of customers have tried and tested us, since we established the strictly one price business. We are willing to be tested and tried again. We know how to do business only one way, and that is on the square. No circumstances or conditions exist that make it possible for competition to undersell us. "Giving Better Value" than others, is the basic prop of this whole business. Mitchell's Bee-Hive was begun, has succeeded, and will continue on that principle. We have taken the agency for Elizabeth City, the sale of Strouss Brothers, High-Art Clothing.

We have about five hundred of these beautiful suits on exhibition at our store. They are unquestionably, the best ready-made clothing in this country. We simply invite you to come and see them and be your own judge. They are priced in plain figures, and that the LOWEST, and we don't have to play Jew or take off a little to sell them. Neither do we throw in a necktie or a pair of suspenders, or a shirt with the suit, as some stores do, who claim to sell at one-price. We give you back your change.

Beware of any merchant who throws in a present; you have paid too much for the clothes and he owes you some change. Our line of \$10.00 suits have brought many men to our store. You would be charged in other stores about \$14.00 for these same suits but, they would take off some, "AS LONG AS IT WAS YOU;" that's their way of doing business. We have good suits for men at \$7.00. We have better suits at \$12.00. We have the new style military, close fitting coats for young men. We have stout suits for the extra large men, and slim suits for the tall lean man.

We propose to become the leading clothiers of this town and have priced our goods so low, that each suit that leaves our store, will bring us another customer. The shoes, the hats, the ties the gloves, that properly go with them are here also. The only establishment that sells to everybody at the same price. Mitchell's Bee-Hive. Elizabeth's City's greatest store.

This is What They Say.

Those who take Hood's Sarsaparilla for scrofula, eczema, eruptions, rheumatism or dyspepsia, say it cures promptly and permanently, even after all other preparations fail. You may take this medicine with the utmost confidence that it will do you good. What it has done for others you have every reason to believe it will do for you.

WANTED.

A position as a Grocery or General Merchandise clerk, 6 years experience, good references. Apply at this office. Lock Box 181
