

FISHERMAN AND FARMER.

is per cent, from a year ago.

Replies to the question of farm prices being out the fact that the present prices per lushel are fully 40 per cent, higher than a year ago. The farm price for the entire United States. a year ago as reported by the Department of Agriculture was in the neighbothood of 30 cents, and a 40 per e his increase in price would point to at beaut 51 cents per bushel being realized this year, which applied to a total vield. of 1 100,000 000 bushels, would not a total return of about \$715.-000,000 this year against \$751,000,000 a year ago, a decrease of only \$36,-

000,000 or less than 5 per cent. Special interest of course attaches to the answers as to the probable effort upon general business the coming season of the shortage in corn, and it is in a high degree encouraging to learn that Bradstreet's agents the country over in the majority of instances look for little that is hurtful to flow from the corn shortage this year. The fact seems to be that the agricultural interests are in pretty good shape at present. The wheat yield is large, and prices received have trying to revive Augustus, who was unconscious. The lightning had been very good. Those sections sending the poorest corn reports, in fact, send the best advices as to wheat yield and returns. The results of the body to his knees. At his neck the inquiry are, therefore, to indicate that far from being the failure earlier indicated, a fair crop of corn will be gathered and that, thanks to the good | dark blistered line. He was carried wheat and other crop yields, and to the prosprous condition of the farm. scious, after a good many minutes. ing interest, what would in years of The physician who examined the boy depression he regarded as a very good crop outlook exercises little adverse affect.

Extension of Seaboard Air Line Railway Service.

Effective August 25th, train service was commenced on the Brunswick & Birmingham Railroad, operating from Thalmann, Ga., on the Seaboard Air Line to Brunswick, Ga.; on September ist, through traips will be inaugurated between Brunswick and Savannah, Ga. This gives the Seaboard Air Line an entrance to Brunswick, St. Simon Island, Cumberland Island, and Jekyl Island, and forms the short line be tween Savannah and Brunswick and between Brunswick and Jacksonville, Fla.

Del.'ma Case Reviewed,

Washington, D. C., Special .- Mr. Tracewell, the comptroler of the Treasury, has rendered a decision which disposes of the famous De Lima case. He holds that under the recent decision of the United States Supreme Court the judgment obtained by De Lima & Company for \$14,597 from the United States on account of dutics paid by them on goods shipped from Porto Rico to the United States, between the date of the that of the approval of the Foraker EFESS.

are favorable. Winter oats are said to present incumbent, on the fifth balbe turning out well. Pastures have improved and the second crop of clover is coming on finely.

corporated by T. R. Bennett and others, proposes to operate cotton-spinning mills among other industries. Mesers. G. D. Flanagan, R. M. Dalin, R. T. Smith and others of Bowling Green, S. C., are organizing a \$12,000 company to build a knitting mill; \$7,000 has been subscribed. The Orient Manufacturing Co. ha

been organized, with H. D. Wheat as president, and acquires the Alpha Mills at Charlotte, N. C. This plant was reported at length last week as remodeling and improving at a total cost of \$250,000.

The San Joaquin River steamer Dauntless, bound from San Francisco for Stockton, _al., was sunk in a collision with the freighter Mary Garrett. The passengers and crew were saved. L. A. Vaughn, reported last week as to establish knitting mill at Winstonratification of the treaty of Paris and Salem, N. C., has secured building at 622 Cherry street, and will install act, may be vaid out of the general ap- knitting equipment as soon as repropriation of the Treasury Depart- ceived. The machinery has been orment without further action by Con- dered. Union suits and ribbed underwear will be the product.

Messrs, John W. Rice and S. B. Love sent to the Secretary of State, at

tractors is as follows:

"That the said party of the second When the elections were finished the part further convenants and agrees to committee on time and place of next supply each and all of the books or publications embraced in this contract at the exchange price or prices herein named, in those cases where there is offered in part payment an old book Carolina on the 8th day of February, 1901, or which was in use on July 1st. 1901, or which was in use between said upon the same subjects as the one for which it is taken in part payment provided that the time in which old books heretofore in use in the State of North Carolina can be exchanged for new books, be limited to July 1st. A. D., 1901." The text-book laws which is made a part of the contract declares that the exchangeable books shall be "books now in use in this State," the date February 8th, 1901, mentioned in the contract, being the date of the ratification of the act. In your letetr you say "if only the pupils of schools taught since February 1st, 1901, are allowed to exchange, then the exchange of books would benefit but a small part of the public school patrons," alluding to the date mentioned in this letter of Mr. Brewer, According to my construction of the law and the contract made with the contractors, the clause "school books now in use in this State" determines what books can be exchanged, and these words as used in the act mean those books taught in previous sessions of the school and

such books as would be used by patrons in the schools of this State if the of new books. and was drowned, but his body was re-I do not think the certificate, a copy

covered and will be buried ashore at Boy Killed By Lightning. Texarkana, Ark., Special .- Texar-

kana was visited by a most severe electrical and rainstorm Tuesday. Prof. Gasby's son was struck by lightning and killed, his neck being broken. He was under an umbrella with a companion, who was badly shocked. Two colored churches were struck and badly damaged. One residence was de-

stroyed and others damaged.
