

PINELAND SCHOOL FOR GIRLS
 - - - - and - - - -
 JUNIOR COLLEGE FOR YOUNG WOMEN
 SALEMBURG, NORTH CAROLINA

A Southern Accredited High School course and a Junior College doing standard work. Our noted Miss Maier with her assistants will be back to give instruction in Voice and Piano--The Art and Expression schools will be at their best. New and more advanced equipment is being added to the Domestic Science department. This department will be headed again by Miss Agnes Anderson of University of Virginia. A most excellent Business Course will be given by an expert teacher. Much attention will be given to Bible and Mission study--We consider a girls education tragical unless founded on CHRISTIANITY.

The School has more influence than any other Institution. Be sure that the teacher who instructs your child from day by day is a Christian.

WHY SEND YOUR DAUGHTER TO PINELAND.

- 1--Because it is a Christian school and recognizes all denominations.
- 2--Because it is a school for girls exclusively.
- 3--Because the girl is thoroughly taken care of all the time.
- 4--Because the health conditions have always been excellent.
- 5--Because PINELAND offers the best service for the least money.
- 6--Because Pineland girls sustain an enviable reputation wherever they go.

Governor Bickett said: "PINELAND SCHOOL for GIRLS is worth a million dollars to the community and is one of the STATE'S BIGGEST EDUCATIONAL ASSETS."

Boarders are ordered to come September 8th.

Classes Begin September 9th.
