### POPULAR COUPLE WED IN PRETTY HOME CEREMONY

The marriage of Miss Mary Catherine Moffitt, daughter of Mr. and Mrs. Everett Frankin Moffitt, and Mr. Henry R. Henderson, son of Mr. R. L. Henderson, both of Brevard, was solemnized Thursday evening at 8:30 o'clock at the home of the bride's parents on Broad street. The Rev. Paul Hartsell, pastor of the Brevard Baptist church, performed the ceremony in the presence of the immediate families, and a few close friends of the young couple. The ring ceremony was used.

Beauty of detail and simplicity characterized the decorations in the home, which were arrangements of potted plants combined with cut flowers and fern. The altar arranged before the fireplace was entirely covered with an embankment of ferns. A large mirror over the mantel reflected the beauty of the tall baskets holding Queen Anne's lace. Pedestals arising from the ferns and filled with Queen Ann's lace were flanked on each side with urns of magnolias. Candlesticks bearing tall burning tapers were placed on the mantel and before the altar, casting a mellow glow over the entire scene. The ceremony was performed beneath an archway formed of Queen Anne's lace intertwined with plumosa and asparagus fern, from which hung a double bow of green and white tulle centered with a single magnolia bloom.

Preceding the ceremony a musical program was rendered, with Prof. Alvin Moore at the piano playing "A la Bien Animee," by Schutt, and accompanying Mrs. Carl McCrary in two solo selections, "The Hand of You" and "I Love You Truly," by Carrie Jacobs Bond. During the ceremony Mr. Moore played softly Nevin's "Love Song." At the strains of Lohengrin's Wedding March the couple entered the room together, taking their place before the improvised altar where the vows were spoken.

The bride wore a becoming gown of pink crepe in delicate shade, with white organdie cape, light blue picture hat and accessories in white. She carried an arm bouquet of pink roses and lilies of the valley. Her only ornament was a bracelet which was the gift of her uncle to her aunt on their wedding day 52 years ago.

Following the ceremony a reception was held. Miss Sherrill Bromfield presided at the punch bowl and Mrs. Carl McCrary cut the cake.

How Long Should A Wife Last?

One of the main things that will make a wife "last" for many more years is the relief from kitchen drudgery. Many of those tiresome fifty-five hours per week put in by the housewife can be saved through the use of an electric range. There is no longer any reason why a woman should be sentenced to a lifetime of drudgery when she marries.

In more than a million homes that now employ modern economical electric cookery, the housewife has reduced her kitchen cares to a minimum. There is no need for her to work over a hot stove, burning hands and arms on hot oven doors and sides as she inspects and bastes the food. With the food in the oven, she merely selects the temperature for the meal, sets two dials on her control clock for starting and stopping the heat, turns the switch and goes on her way rejoicing — knowing that she will find a complete meal, perfectly cooked, ready to be served when she returns. Instead of having to spend from an hour to two or three hours in a stuffy insufferably hot kitchen, she spends most of that time more pleasantly and profitably elsewhere.

Why not learn more about Electric Cookery and its many advantages over any other means of cooking? Without obligation, just phone or stop at our display rooms and we'll be glad to demonstrate the new Electric Ranges.
