OFFICERS GOING ABOUT RIGHT WAY

County and town officers are doing their duty as officers should when they refuse to be cajoled and wheedled about by "friends" and let every Tom, Dick and Harry loose because "Mr. So-and-So" is interested.

Eight violators of the law were placed in the local jail by officers Saturday and Sunday, some of whom will have to serve time on the gang, others pay stiff fines. We're sorry for any man who has to be locked in the county jail, but it is the only medicine that will cure some of our chronic violators. We know it must be a bitter pill for a man to serve time on the gang or in the county jail, but what's to be done? Talking, threats, small fines seem inadequate, an ever-increasing number being noted.

We like to see it when it is necessary, and think our officers should be commended for the manner in which they are going about showing folks that laws are made to be respected.

THANKS DUE TO GREENVILLE NEWS.

Transylvania county is deeply indebted to The Greenville News, wide-awake morning newspaper in the wide-awake city of Greenville, for the fine piece of publicity given this section in the Sunday morning paper.

Greenville newspapers have always been very gracious to Transylvania county, and merit our reading, not only because they are good newspapers, but also for the fact that both *The News* and *Piedmont* have gone out of their way numerous times to be nice to us.

O. K. MR. KING, REPEAL 'EM ALL.

Word comes from Washington, credited to Chairman King of the senate committee investigating federal taxation that is all probability the "nuisance tax" would be repealed at the next session of congress... which is absolutely o. k. with us.

Fact is, we don't mind how many taxes Mr. King recommends to the congress to repeal. But we just wonder, if the "nuisance tax" is abandoned what will be the next source of revenue tapped.

While the average person likes to hear the word "repeal" when any tax is mentioned, the most pleasant word in the dictionary to a taxpayer's mind would be less spending for useless things, regardless of where the tax is coming from, whether it be on automobiles, furs, jewelry, soft drinks, or what not.

SHOULD THE DEATH PENALTY BE ABOLISHED?

With electrocution of O. C. Fogleman on Friday and the announcement in state papers that there was at least some reason to doubt the man being guilty of the crime for which his life was taken, one is caused to ask the age-old question—

"Is it right for man to take the life of another by imposing the death penalty?"

Fogleman was convicted of killing a filling station operator in Rockingham county, his conviction largely being traceable to the testimony of a woman eye witness to the crime, and this woman's testimony was lacking in certainty as to the identity of Fogleman as the real perpetrator of the deed for which his life was snuffed out by the State of North Carolina last Friday.

Terrified as she was, could this woman not have been easily mistaken, isn't there at least some room to doubt her testimony, especially when a man's life was at stake? Could it not have been someone who closely resembled Fogleman?

Would a man who knew that he was facing eternity declare with his last words that he was innocent, knowing as he must have that dying with a lie on his lips precluded peace for him in the land to which his soul was soon to fly?

Considering that the man was guilty of the crime for which he was convicted, does the state have the

right to take that which it cannot give—life? Are any twelve men in North Carolina really privileged to say whether a man shall have the privilege of living out the days which the Almighty has allotted him?

OAKLAND NEWS

(By Mrs. Lee F. Norton)

(Delayed)

Arthur Miller of South Carolina was visiting relatives and friends here and at Sapphire the past week.

Mr. and Mrs. Guy Matheson and little daughters, Billie Jo, Mary and Martha and the former's father, Edgar Matheson, of Troutman, made a week-end visit to relatives and friends here, returning home Monday. Mrs. Matheson will be better remembered as Miss Edrie Norton. She has many friends here who were delighted to see her and her family again. They had not visited home folks in more than two years.

We, with a party of 13, enjoyed a motor trip Sunday afternoon, taking in all the interesting points within easy reach of Oakland.

Mr. and Mrs. I. S. Sanders and sons, Lane and Cecil and Mr. and Mrs. Clarence Norton, Misses Evon Sanders, Billie Jo Matheson and Miss Artense Chappell were Brevard visitors Saturday night.

Mr. and Mrs. Burns Alexander of Cashiers visited Miss Evon Sanders Sunday.

Mrs. Lee Norton and little grandson, Cecil Sanders, visited Mrs. Tolvin Miller at her home in Lake Toxaway Saturday afternoon.

Mr. and Mrs. Clyde McCall and family and Jene Moore of Quebec, were dinner guests Sunday of Mr. and Mrs. E. A. Reid.

Mr. and Mrs. Guy Matheson and little daughters, and the former's father were dinner guests Sunday of Mr. and Mrs. Clarence Norton.

There was an accident Saturday near Oakland postoffice where the road from the Bohoney section comes into the highway, when a car driven by Wesley Reed of Highlands and a tourist car ran together, causing the tourist car to leave the road. Both cars were damaged and one man (we did not learn his name) was pretty badly hurt. That intersection of the road is quite dangerous when a driver becomes careless.

Fred Alexander *of Seneca, S. C., visited Mrs. Mary Burgess and family last week.

Fred McNeely and sons and Mrs. Breedlove and little son visited friends at Swannanca Sunday.

Mrs. Hubert Hall and son Junior are spending this week with her sister, Mrs. Burns Alexander, at her home in Cashiers.

Dan Reid was at Lake Toxaway Saturday on business.

Mr. and Mrs. I. S. Sanders had as guests for supper Sunday evening Mr. and Mrs. Guy Matheson and daughters and Mr. Edgar Matheson.

Miss Evon Sanders returned home Saturday afternoon after spending several days at Sapphire with Mrs. Charlie Reid.

Miss Verona Lyday spent the week end with her parents, Mr. and Mrs. John Lyday.

Kile Galloway spent Sunday afternoon with Lane Sanders and Billie Jo Matheson.

Mrs. Mary Burgess and Miss Alberta Burgess called Sunday afternoon on their cousins Mrs. W. F. McCall and Mrs. Guy Matheson.

Mrs. Maggie Nicholson called Sunday afternoon on Mrs. E. A. Reid.

Mrs. Jess Breedlove and little son Daniel visited Mrs. S. E. Alexander one day last week.

Miss May Cash called Sunday afternoon on Miss Louise Rigdon.

Mr. Edgar Matheson spent Monday morning with I. S. Sanders.

Mrs. Jack Fisher of Reid's Siding was dinner guest Sunday of Mr. and Mrs. Thad Guy.

Mr. and Mrs. T. E. Reid of Brevard called Monday afternoon on the former's father and sister, T. B. Reid and Mrs. Maggie Nicholson.

Mack Reid, of Portageville, Mo., has many friends and relatives in this county who will be glad to know he was recently heard from by a relative who says he writes encouraging news from that state. The only thing that looks discouraging to him just now is so much fine cotton being plowed up. Plowing up fine growing cotton may be a good business, but this writer hasn't been able to see it in that light yet.

We were asked to request through this paper if some one would give advice on a remedy for grape rotting when they are most ready to ripen. The grapes in our section looked almost equal to those described by the sples sent out to the promised land until the blight struck them. We asked some one the other day what they thought caused such a blight and they said they guessed we had not payed the preacher. We told them that was too true to make a joke of. Will some one please give the cause and if possible a remedy.

CHEVROLET

leads the field by the widest margin in its history

CHEVROLET, AMERICA'S NUMBER 1 CAR—47.99% of all low-priced cars sold

NUMBER 2 CAR—26.74%

NUMBER 3 CAR—19.21

*Based on the latest retail registration figures from R. L. Polk & Company (all states for five full months). Since January first Chevrolet has sold in excess of 370,000 passenger cars and trucks.

People have come to expect Chevrolet to lead the world in automobile sales. But this year Chevrolet has done even more than that. According to the latest available figures, Chevrolet alone has sold almost as many cars this year as all the rest of the low-price field combined!

When a car looms above its field like that, there can't be any argument about it. It must be an all-round better buy. And that's exactly what Chevrolet offers you. Fisher bodies, with the new ventilation system and the strongest and quietest body construction of the day—solid steel over a sturdy hardwood frame.* A valve-in-head six engine, unapproached for

economy . . . Cushion-Balanced to blot out vibration . . . full of snap and vigor—altogether the most efficient engine in the low-price field.

Then there's Syncro-Mesh with Silent Second, the Starterator, Simplified Free Wheeling, the Octane Selector, long, parallel-mounted springs—more advancements than we have space to describe. And Chevrolet prices are as low as \$445. Don't guess—buy from the leader. Get a car that has been proved sound and dependable by more owners than any other automobile you can buy.
