

## DEPUTY KILPATRICK BURIED SATURDAY

### Popular Transylvania County Official Dies After Long Illness

Funeral services for Deputy Sheriff J. Marshall Kilpatrick were held last Saturday afternoon at the home of the deceased on Whitmire street, with hundreds of friends and relatives of the popular officer lining yard and sidewalks.

The Rev. J. H. West and the Rev. Paul Hartsell had charge of the service at the home, with interment being made in Oak Grove cemetery, North Brevard. The following men, officials of the town and county, acted as pallbearers: Jess A. Galloway, Otto Alexander, Bert H. Freeman, Church Morris, H. E. Erwin and Tommy Wood. Kilpatrick Funeral home had charge of arrangements.

In charge of flowers were: Misses Mary Kilpatrick, Nell Miller, Margaret Miller, Rebecca Summey, Edith Gillespie, Lois Smith, Mrs. Duicie Britner, Mrs. L. P. Beck, Mrs. Frank Gaffney, Mrs. Grady Kilpatrick, Mrs. Nita Hamilton, Mrs. Kathleen Morgan.

Mr. Kilpatrick, who was 63 years of age, died early Thursday morning after an illness of several weeks. Son of the late Benjamin F. Kilpatrick, he had played an important part in the progress of Brevard, having been actively connected with much of the building in the town for the past thirty or more years. He was appointed chief deputy sheriff under Sheriff Tom Wood last December, filling this post with credit until a few weeks prior to his death.

Surviving are the widow, two daughters and one son, as follows: Mrs. Thos. Teague, Mrs. Marie Bice, and Carroll Kilpatrick, and five grandchildren all of Brevard. Four brothers, R. P. and C. C. of Brevard, R. L. and W. P. of Asheville, and one sister, Mrs. Case, of Spartanburg, also survive.

## BEN KILPATRICK IS KILLED IN ACCIDENT

### Four Companions Escape With Slight Injuries When Car Overturns

Benjamin Kilpatrick, son of Mr. and Mrs. W. P. Kilpatrick, of Asheville, was instantly killed in an automobile accident near the Henderson county line early Sunday night when the car he was driving failed to make a sharp curve, plunged into a bank, impact of the mirror holder in the top of the car practically severing the young man's head.

Four companions, Ernest and Leon Gillespie, Warrior King and his 15-year old son, were more or less injured, though none seriously hurt. The Dodge sedan, said to have been driven by Kilpatrick, turned on its top and skidded for about twenty feet before coming to a stop.

The body was brought to Kilpatrick Funeral home, Brevard, and later carried to Asheville where funeral services were held Tuesday. A coroner's jury from Henderson county, after investigating the wreck, decided that the deceased came to his death while driving an automobile in a reckless manner.

The party, all well known in Transylvania county, where they have many relatives and friends, had been visiting here Sunday afternoon, leaving about nine o'clock for their home in Asheville, the wreck occurring about nine-thirty.

The parents, Mr. and Mrs. W. P. Kilpatrick, two brothers, Waverly and Jack, and three sisters, Mrs. C. E. Bell and Mrs. John Britner, of Asheville, and Mrs. Avery Case, of Brevard.

## One Brevard Merchant Joining Move To Help In National Recovery Program

"NRA Trade Expansion Jubilee," being staged in practically every town in Western North Carolina for three days, Thursday, Friday and Saturday of this week, is being participated in by one department store here, the R. H. Plummer & company store on Broad street.

It is the general idea of the trade expansion jubilee to keep step with the president's plan of recovery, the consumer being asked to buy now in order to clear the shelves of the merchants, who in turn will necessarily have to purchase more from the manufacturer, and on down the line, giving increased employment and a more general circulation of money.

As an extra incentive for the consumer or purchaser, the local department store that is cooperating with patriotic merchants of other towns in this section of the state, is selling merchandise at a fair profit on the price paid for the goods, not a profit on the price of the same goods if they were being bought and placed on the shelves today. Mr. Plummer showed a representative of The Times invoices for staple ar-

## MANY RENEWALS TO PAPER DURING WEEK

### People Who Received Cards Are Sending Money—All Asked To Pay Now

Since Wednesday of last week 28 subscribers have renewed their subscription to The Transylvania Times some from outside the state, while several were from Brevard and Transylvania.

The price of the paper will soon have to be raised fifty cents, making county people pay \$1.50 per year and distant subscribers \$2.00. Those who wish to take advantage of the present price are urged to do so at once.

Several hundred subscribers are in arrears with the paper, many of them having been carried for several months at their request, while others have been carried because the paper felt that money had been so scarce that it would possibly be a favor to some of our readers to extend credit to them. We are now asking that all pay up immediately, as the paper is unable to carry a large load of subscribers who are paying for the paper.

Among those sending in their "bit" since last Wednesday are:

Mrs. M. C. Whitmire, R-3; Frank Morgan, R-3; J. W. Duckworth, Brevard; John F. Allison, Dallas, Texas; Mrs. T. L. Surrette, Collierville; W. E. Head, Oakland; E. L. Hartsell, Muskogee, Okla.; Fidelity Henderson Seattle, Wash.; Dr. J. S. Brown, Hendersonville; Frank Case, Marion; Miss Emma Bagwell, Brevard; J. F. W. Mills, Brevard; Late Bagwell, Brevard; H. C. Haynes, Brevard.

Tinsley E. Brown, Balsam Grove; E. L. Hamilton, R-1; H. C. Aiken, Brevard; Hubert Wolfe, R-2; Mrs. W. H. Olney, Brevard; Faye Glazener, Rosman; C. Z. Osborne, Umatilla, Fla.; J. M. Allison, Gainesville, Ala.; Mrs. Julian Wingfield, Eastis, Fla.; D. H. Orr, R-2; J. L. Gravelly, R-1; J. W. Hamet, Dacusville, S. C.

## Sheriff Wood Home

Sheriff Tow Wood has returned to Brevard after spending several weeks in a hospital at Baltimore, and declares that he feels like a new man. Sheriff Wood, while not taking much exercise, is able to be up and in his office for a short while each day.

## NEW DEAL QUART ON SALE IN COMMUNITY

Night Policeman Church Morris brought what he termed a "New Deal" quart bottle to The Times office Tuesday night, the receptacle, exuding an aroma that bespoke well the last duty it had performed, supposed to hold only 28 ounces instead of the regulation 32.

A statement could not be obtained from one of the town's leading dispensers of joy water as to the cost or selling price of the "new deal" or "short" quart, but it is presumed it is at least 25 cents under the price of two full pints, be that whatever it may.

## All Schools Will Start Work In Transylvania Next Monday

All schools of Brevard and Transylvania county will begin the 1933-34 session next Monday morning, Aug. 28, according to announcement by Superintendent G. C. Bush.

Teachers list for Transylvania county schools was not completed on Wednesday according to Superintendent Bush who stated that there were a few places that would have to be checked before the list could be announced as completed.

Buses will carry under the new ruling, only those children who live outside the two mile limit—that is, all children who live, by the nearest traveled route, two miles or more from the school building which they attended. In no instance will this rule be violated, school authorities of the county have stated, unless it be for a deformed or maimed child.

Professor Bush, in a statement handed The Times Tuesday, states: "Section 26 of the school machinery act, enacted by the General Assembly of N. C. Session 1933 stated that from and after May 1, 1933, the control and management of all facilities for the transportation of

public school children as now operated by the various counties and other local subdivisions of government shall be vested in the state of North Carolina under the direction and supervision of the State School commission. Authority is hereby given the State School commission in addition to the provisions of this act to make such rules and regulations as are necessary for the efficient and economical operation of the school transportation system.

"School vehicles used in transportation of school children shall be inspected each thirty days and a record file in the office of the county board of education.

"The transportation of all school children in Transylvania county is under the State commission. The State School commission has authority to approve or disapprove in whole or in part the bus routings."

One new school bus, to be used on the Toxaway route, and several repair jobs of major nature have been effected within the past few weeks, putting the Transylvania transportation in fair shape.

## NO FOOTBALL GAME DURING WEEK DAYS

Brevard's school committee in a recent business session formulated several new regulations which will be followed during the 1933-34 school year which begins Monday morning, August 28.

According to the new regulations visitors will be welcome to all chapel exercises at the morning hour but in view of the crowded conditions existing, parents and patrons will be invited to visit the classrooms only on the fourth Friday in each month.

In order to give the letter pupils a chance in athletics, the committee says, and to discourage overgrown boys who attend school for athletics only, no one will be allowed to play on a team either as a regular or substitute player who did not attend school and make a passing grade on four subjects during the previous full year term.

School work has been demoralized to such an extent in the past, the committee believes, it is necessary to regulate the date of athletic games. All such games with other schools must be played on Saturday or other holidays, according to the new ruling.

## GYPSIES ROB JONES OF HIS TAX MONEY

Wesley Jones, of the Etowah section, starting to Brevard Friday morning with the expressed purpose of paying his taxes, was duped by a bunch of Gypsies out of \$60 in cash and a fifteen dollar check en route and left in a dazed condition.

In a semi-conscious state, Mr. Jones stumbled upon the porch of Representative Wallace Galloway on Caldwell street a little after noon Friday, to find him he was terribly sick at his stomach, and acted as a man bereft of his reason. After having been made to drink several cups of strong coffee the man slept for a short while, awakened, deathly sick, and after a severe siege of vomiting, told Mr. Galloway of having been accosted on the highway by a band of Gypsies, after which his mind was practically blank.

Finding his money gone, Mr. Galloway immediately phoned the office of Sheriff Thomas Wood, who investigated the case, and had several cars of Gypsies held up in Highlands and Hayesville. However, the money, three twenty dollar bills, was not found on the band.

Entries of quilts, spreads and coverlets are open to all ladies of the town and county. It is expected that a large number of valuable old quilts, especially, will be placed on exhibit by those living in various sections throughout the county, since it is known that many quilts dating back years ago are in the possession of those in the rural sections of the county. It is pointed out by the committee that the quilts placed in the show for exhibit may also be offered for sale if the owners so desire. In the event of a sale, 10 percent commission will be charged the owner in case she is a member of the Women's Exchange, and 20 percent commission for non-members.

No cash prizes will be offered this year, using only ribbon awards. All awards will be made by popular vote those paying a silver offering entrance fee being entitled to a vote on the prize winners.

Ribbon awards will be offered for following classifications: Best old quilt, best new quilt, best crochet spread, best candlewick spread, best coverlet.

Mrs. Coleman Galloway is chairman of the quilt show, and any one desiring further information regarding this event may communicate with her. Others assisting on this committee include Mrs. B. F. Beasley, Miss Katherine Griffin, Mrs. Ralph Zachary and Miss Florence Kern.

## INSTITUTE CLOSING SCHOOL DEFINITELY

### Education Commission Will Take Charge; College To Open Next Fall

Permanent closing of Brevard Institute will be effected Saturday of this week, at which time the various buildings will be vacated until the fall of next year when the new Brevard college will begin operation under new management.

Furniture, livestock, farming machinery and other equipment have been moved by truck, van and chartered freight car to Vashli school at Thomasville, Ga., and other schools owned and operated by the Women's Missionary Council, former owners of Brevard Institute until the plant was donated by them to Western North Carolina Methodist conference for use as a junior college.

Ownership of the Institute plant has now been taken over by Bishop Edwin D. Mouzon, head of the acting commission of the Methodist conference and plans for operation as a junior college in the fall of next year are now going forward.

J. A. Bishop, for many years farm manager for Brevard Institute, has been notified by Bishop Mouzon that he is to continue in this work during the coming year while the buildings and grounds are vacated. Mr. Bishop will be assisted in the care of the buildings and grounds by Guy Dean, who has been connected with the Institute in this capacity the past two or three years.

C., before entering upon her new duties as superintendent of Vashli school. Miss Boggs and Miss Clarke will go also to Vashli school for the coming year, and Miss Poindexter will remain in Brevard with friends for several weeks before permanently leaving the community.

## FLOWER SHOW WAS BRILLIANT AFFAIR

### Around Six Hundred People Attend Annual Event— Prize List Announced

Approximately 600 people representing 20 states were in attendance at Brevard's sixth annual flower show held Friday of last week in the Whitmire building. The show was generally accorded great success, and was pronounced by the judge, Hugo Strongmiller, of the Wayside Nurseries, Biltmore, to be the most beautiful and most complete flower show ever held in Brevard. Mr. Strongmiller has acted as judge at the past four flower shows here, sponsored by the Women's Civic club.

The many and varied classes of flowers in artistic arrangement all combined to produce the effect of a veritable bowland of flowers. Practically every kind of summer garden grown flowers were on display, ranging in harmonious effect from the most delicate pastel shades to the deeper and richer colors, with the vari-colored dahlias predominating in their gorgeous array.

From the opening hour at 2 o'clock in the afternoon until 10 o'clock in the evening there was an almost constant stream of people coming and going to view the colorful spectacle. Many expressions of favorable comment regarding the show were heard from the hundreds
