CEDAR MTN. NEWS

(C. W. HILEMON)

The Little River B. Y. P. U. presented an interesting program at Cedar Mountain Baptist church on Sunday evening.

For the past ten days, Cedar Mountain school has maintained an average of 46 pupils. They are expecting a new teacher to assist Miss Dixie Jones, who is doing splendid work under the crowded conditions.

A new bridge is being completed to take the place of the old "Wheeler" bridge, which fell in last week when a truck driven by Mr. Merrill was too much for the old structure. The school bus is now able to make its regular run to Blue Ridge.

Most of the summer residents of Cedar Mountain have returned to their homes.

W. H. GROGAN, Jr.
District Manager

Sovereign C. S. Royster of Rutherfordton has been named chairman of local committee on arrangement for District Convention. The night session will be held with Rutherfordton Camp No. 880. Sovereign Royster is well known to leading Woodmen in Western North Carolina. He is one of Rutherford County's leading citizens and will have everything in ship-shape for us when we visit there. W. C. Barnes, secretary of Camp will assist Sovereign Royster as a member of the committee. A special meeting of all members will be held soon, at which time, President C. P. Goforth of Kings Mountain will attend and deliver his instructions to the members.

I would like to hear from camps that have organized "Blue Eagle Clubs" as suggested in last week's Times. All that's required to become a member is to agree to get one application; see that he goes to meeting for initiation and attends meetings from time to time. It should be easy to get your members to sign up. Try it out and write me the results.

Let's all go to work and have good reports to make at our District Convention. Nothing mars this kind of meetings more, than, bad reports from local units. There is not one single Camp that cannot get one or more applications by October 25th. Every Camp secretary should take it upon himself to keep his Camp on record by getting applications between each Semi-annual Convention. Every Camp should send one or more members to each an every convention, both state and district, thereby keeping up with what's going on at large over the state. The camps that do not send delegates are the dead Camps, how about yours?

We hope to have some real news regarding the November Field Day for next week. We still pull for Hickory. Have you written to state manager yet?

CARD OF THANKS

We wish to thank our many neighbors, friends and relatives for their help and kindness shown us during the illness and death of our beloved husband father, J. M. Holden, and for the beautiful flowers.
