### W. O. W. NEWS

W. H. GROGAN, Jr.  
District Manager

We will soon arrive at the period of time when every child in the whole wide world will be looking for old "Santa Claus" to come down the chimney and leave all little stockings well filled. Let me suggest that every Camp look after the little ones that may be over looked by Santa. One year ago several Camps did this with the money they usually spent for banquets, thereby, making many little children happy on last Christmas morning. I trust many hundreds of the little ones in our district will be cared for in the same good way this coming Christmas. I think every FRATERNALIST should find and provide for some child this time, because there are many mothers and fathers that do not have, and cannot get the money to purchase the necessities of life, therefore will not be able to buy any Santa Claus for the little ones. Woodmen everywhere, do your best to help every old SANTA CLAUS find all the children this December 25th. That will be practicing the teachings of Woodcraft.

Again I say to all Camps; Elect the faithful members to hold your Camp Office during 1934. Because the success of all Camps depend on the local Camp Officers. Let's start the New Year off right by having the right men at the helm, then let each member get a firm hold and push clear through the year.

I'm still without a car to get around in, mine was carried to Charlotte for repairs, it should be ready soon, then I will be around to see you and help get some more applications for your camp. In the meantime, you all keep the Camp fires burning.

The claim of Robert E. Anderson, late member of Black Mountain camp was paid last week. The check called for \$1116.22 which was \$116.22 more than the certificate called for. The W. O. W. pays thousands each month more than certificates call for. This is additional free insurance given the members from savings.
