MERRY, MERRY CHRISTMAS TO ALL OUR FRIENDS

To our hundreds of subscribers, our excellent correspondents throughout the county, and to our business friends, all of whom have joined in making the past year one of pleasantness, we say "Merry Christmas to you."

The year has been pleasant in many, many respects for The Transylvania Times, with unpleasantness being practically nil. Of course we have pulled a few "boners" and have done some things that could just as well have been left undone, but we have tried hard to do our very best, and we have had lots of real, kindly, helpful aid in doing our little bit of good.

We apologize to anyone right now for anything, in any way, that was in the least way out of place, and ask that the Christmas Spirit help you to be forgiving and forget-like. Herewith, also, along with our apology, is our promise to do better.

The year has been pretty hard on many of us, in fact most of us...but it is gone...Christmas is here, the time of the year when we are all willing and eager to start out with new heart, with a new spirit. The future DOES look lots brighter, and we are going to enjoy the good things a lot more by reason of the fact that we have lived in the year 1933 and started out better after Christmas.

Again, Merry, Merry Christmas to all.

Several people have asked The Times to say something in regard to landlords renting houses to folks in Brevard when the landlord most surely knows his renters are selling bootleg and otherwise doing disreputable things. We don't know what to say about such things, that is we don't know how to put it in print. We suggest that people in the neighborhood take it upon themselves to see that such nuisances are put out by law, after being declared such. We understand there is provision made for such cases. Still, we wonder why a man will push questionable characters off onto a good neighborhood.

Julian Miller advocates all ex-service men staying at home when Congress meets; arguing that another "bonus march" will not get the fellows anywhere. He's partly right, at least. Let the rank and file stay at home, but be sure and send a couple of good representatives to look after their end. We can't see any real good reason for not paying the boys off right now, getting that much money in circulation and at the same time stopping the interest. Looks like a good thing all-around, for both the boys and the government.

Something's dead up the creek in the tobacco market, judging from the prices that are being paid on the Asheville and Tennessee markets. From three to five cents difference in the price paid last year makes one wonder who's got a finger in the pie. "Cooperative market" would mean that buyers are cooperating with each other rather than with the farmers, don't you know.

Quite a number of subscribers have come in within the past few days and paid their subscriptions "just to help with a little Santa Claus." Thanks, good people...tell your friends who failed to help Santa Claus that "Happy New Year" is just around the corner.

Wonder if the grand jury really meant just what they said about the county jail in their report last week—"prisoners well satisfied." We understand that Sheriff Tom Wood is pretty decent to the fellows who find themselves in his hotel next morning, and we know for a certainty that Mrs. Tom knows when and how good food should be prepared, but still we wonder if the fellows really are "well satisfied."

There isn't much thrill in success unless one has first been close to failure.

NOTHING DEFINITE ABOUT BIG DAM

Statement by Dr. A. E. Morgan, head of the Tennessee Valley Authority is to the effect that there is nothing as yet to get excited about in the French Broad dam business. The following statement for The Hendersonville Times-News tells of his stand:

The Tennessee Valley Authority has up to this time given no consideration to the development of the French Broad Valley and before any such program is undertaken all the resources and possibilities of this section, including agriculture, scenic beauty, recreational and resort possibilities will be fully studied by competent engineers and other experts, an advisory committee of Henderson county citizens reported today upon their return from Knoxville where they were granted a private conference with Dr. A. E. Morgan, chairman of TVA.

Dr. Morgan stated specifically that TVA has never reached the conclusion nor has it authorized anyone to announce for it that a storage basin will be created in the French Broad Valley, members of the committee said. This, it was believed, will set at rest current reports that a huge dam is to be constructed near Asheville for the purpose of storing water over a vast territory in Henderson, Transylvania and Buncombe counties for use at Murdoc Shoals. At a meeting held Wednesday evening at Mills River, resolutions against such a development were adopted and an organization formed to oppose the movement which supposedly was being favorably regarded by TVA.

In its report today, which was in the nature of a formal statement submitted to The Times-News, the committee said that Dr. Morgan will come to Hendersonville at an early date to address a mass meeting, and until such time the committee urges the local public to reserve judgment on the entire program.

A valued subscriber to The Times and one who never fails to come in and pay just before Christmas time is Capt. J. M. Blythe of the Penrose section. Mr. Blythe says he enjoys reading the home paper, and he does his reading without glasses despite his ninety years.

The spirit of good cheer will pervade if we let it...we have just lots of things that ought to make us glad, happy, and hopeful. Not a lot of money, certainly not, but money isn't everything...aren't you feeling good, have fine friends, a home to live in, your loved ones about you. "Be of good cheer."

Congressman up in New York state advocates a boycott against whiskey in order to bring the price down. Suits us, if the whole United States declares a boycott against the high price and cheap stuff at the same time.

"Grandpa" will say to the youngsters in the depression of 1932, "Shucks, son, you don't know nothing—back in 1933*** —!!!!" says The Caskeen Proof Sheet, and let's hope that we are to be able to forget it like that

If B.B. White and Carl Allison can raise hogs like they have this year, we see no reason for folks living in the country having to be short on meat.

You'd think from the way the debtor-nations have been paying and not paying Uncle Sam that all the fellows were combining to get the Reverend Uncle's Goat. As a banker the U. S. is a poor collector.

One blessing that comes to a poor man is the fact that he doesn't have to worry about buying an automobile tag right at Christmas time.

O gee-gosh! The Tryon Daily Bulletin apologizes because they could only print eight pages on Friday... didn't have time...hope the same bug tries biting us.

Wants Basketball

Brevard High School
 Brevard, N. C.

Dear Santa:
 Please bring the basket ball girls a basket ball for Christmas. You will find it in the post office, lacking three dollars (\$3.00) being paid for.

Thanks very much
 The Basket ball girls.

- First grade—Fred Morgan.
 - Second—Beulah Aiken, Junior Rice.
 - Third—Artella Morgan.
 - Fourth—Tessie Morgan.
 - Fifth—Dollie Robinson, Lela Morgan.
 - Seventh—Marie Galloway.
- Perfect for three months period—Lela Morgan, Dollie Robinson, Lois Robinson, Fred Morgan, Artella Morgan.

The man with the most decided opinions has usually had the least experience.

OAKLAND NEWS

(By Mrs. Lee F. Norton)

T. B. Reid spent several days in Brevard last week attending court.

Dan Reid and his mother were Brevard visitors last week.

Mrs. Garvin Ducker of Arden spent several days here last week with her parents, Mr. and Mrs. E. D. Reid.

Mr. and Mrs. Wesley Reed of Highlands spent Friday night with Mr. and Mrs. I. S. Sanders.

Mrs. Herbert Hall and son Junior of Lake Toxaway, and Mrs. Roy McCall and children Sammie and Edith were dinner guests one day last week of Mr. and Mrs. I. S. Sanders.

Mr. and Mrs. Hovie Chappell and daughters, Effie and Frances, visited the former's parents, Mr. and Mrs. Clyde Chappell, last week.

Mrs. Dewey Bryson, Mrs. Earl Lanning and Mrs. Clyde Chappell were Brevard visitors Friday.

W. W. Reid was in Brevard Saturday on business.

Mr. and Mrs. Waite Reid and daughter Miss Lessie Reid of Sapphire were Brevard visitors Saturday.

Little Miss Fannie Wilson, who has been staying for some time with Mrs. Clarence Norton spent the week-end with her parents, Mr. and Mrs. Robert Wilson.

Mrs. E. A. Wilson and Mrs. Maggie Nicholson called Sunday on Mrs. Mary Burgess and family and reports Miss Burgess to be improving nicely after a long and serious illness.

Mrs. Frank Brown and Miss Flaney Phillips visited Mrs. Frank Fisher Sunday afternoon.

Mr. and Mrs. Robert Noland of Asheville have many friends who

read The Transylvania Times who will be sorry to learn their car was stolen more than a week ago, and up to this time they have no trace of it.

R. L. Bryson was a caller at the home of Mr. and Mrs. Frank Fisher Sunday afternoon.

Mrs. Lee Norton was dinner guest Sunday of Mrs. S. E. Alexander.

Ray Rigdon was dinner guest Sunday of Lane Sanders.

Mr. and Mrs. W. F. McCall called Sunday afternoon on Mr. and Mrs. Cole Lee at their home in Lake Toxaway.

The many friends here of Mrs. Guy Matheson will be glad to know that she and family are expected to arrive here this week to spend the Christmas holidays.

We understand that Mr. Lee Phillips and family expect to move from our community in the near future. We are sorry to have them go. We are indeed sorry that our unemployed women have failed to get something to do so far, but we are still hoping. Christmas won't be very different from other days for several on account of it. We can hardly decide in our minds which will be the most pathetic, the children or the parents if Santa Claus fails to come.

Rev. Clyde McCall preached an excellent sermon at Lake Toxaway Baptist church Sunday. We hope he will give us another appointment.

As this will be the last time we write before Christmas we want to wish for the editor and his staff and all our friends who read Oakland news items a very Merry Christmas, and may the coming year be to them all they would like for it to be in the way of health and happiness.

The dullest clubs are the most exclusive.

How to Stop a Cold Quick as You Caught It

Take 2 Beyer Aspirin Tablets.
 Drink full glass of water.
 Repeat treatment in 2 hours.

Almost Instant Relief in This Way

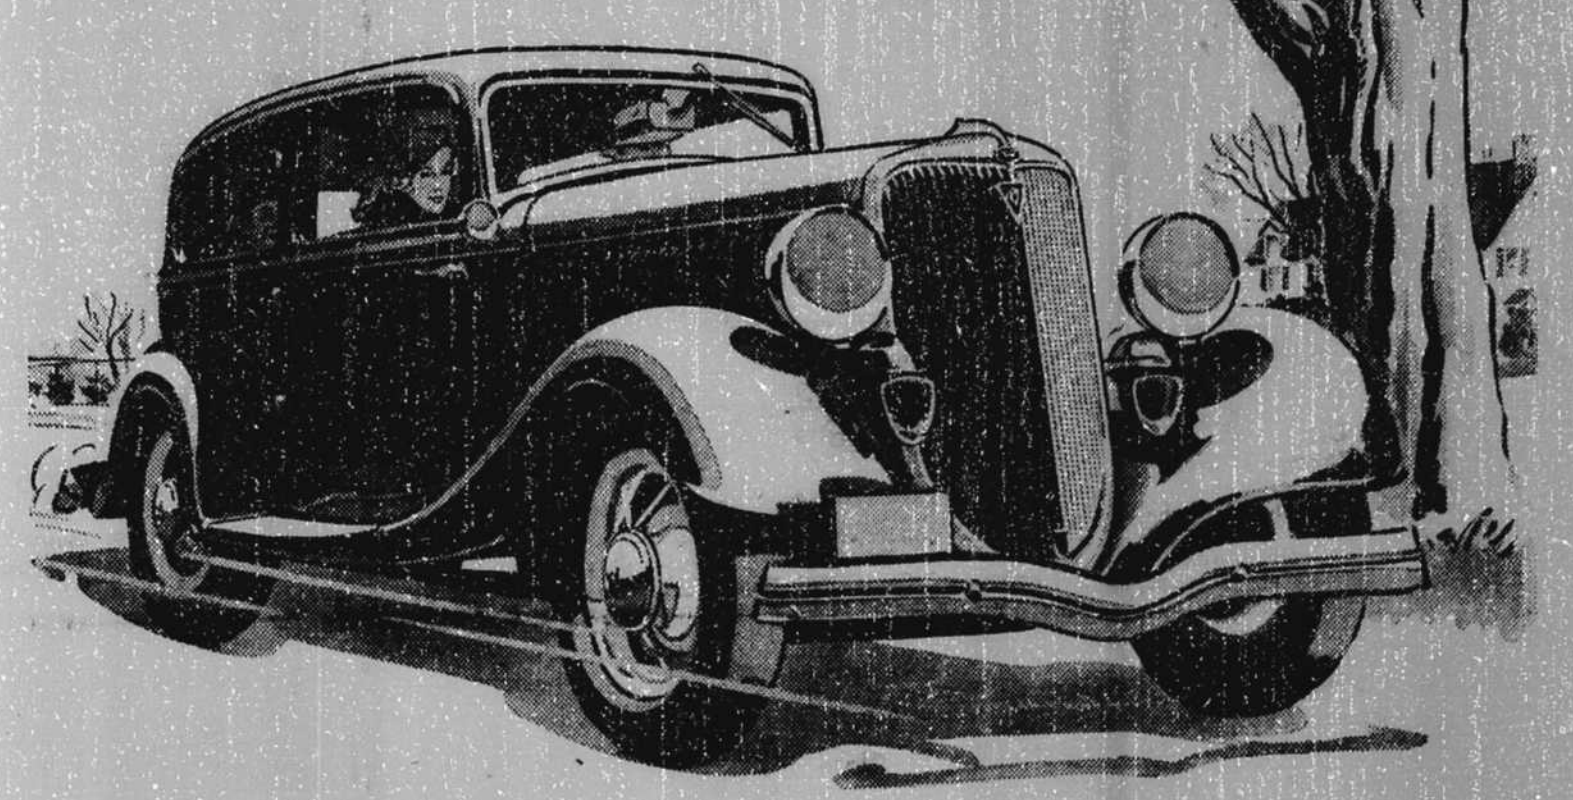

The simple method pictured above is the way doctors throughout the world now treat colds. It is recognized as the QUICK-EST, safest, surest way to treat a cold. For it will check an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, see that you get the real BAYER Aspirin Tablets. They dissolve almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine BAYER Aspirin Tablets dissolve so completely, they leave no irritating particles. Get a box of 12 tablets or bottle of 24 or 100 at any drug store.

Does Not Harm the Heart.

Announcing

NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V.8

- BETTER PERFORMANCE.** Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New water-line thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.
- NEW VENTILATION SYSTEM** permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot. Through this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cow ventilator can be opened to supply additional air needed for comfortable warm-weather driving.
- DISTINCTIVE NEW APPEARANCE** enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvers, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.
- FENDERS IN COLOR.** On De Luxe cars fenders are in color to harmonize with body colors—wheel colors optional. New enamel finish on all bodies and fenders has greater wearing quality and more enduring luster.
- GREATER RIDING COMFORT** results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 15-to-1 steering gear ratio.
- PRICES REMAIN LOW**—Tudor Sedan, \$535. Coupe, \$515. Fordor Sedan, \$585. De Luxe Tudor, \$575. De Luxe Fordor, \$625. De Luxe Coupe (5 windows), \$555. De Luxe Coupe (3 windows), \$555. De Luxe Roadster, \$525. De Luxe Phaeton, \$550. Cabriolet, \$590. Victoria, \$610. (All prices f. o. b. Detroit.)
