

**LITTLE RIVER NEWS**

(Mrs. E. H. Mackey)

Mr. and Mrs. W. M. George had as their guests Sunday their daughter, Mary George, of Spartanburg, Mr. and Mrs. Fielding George and children and Mr. and Mrs. A. Henderson of Pelam, S. C.

Mrs. Tom Fisher was called to Selva last week on account of the serious illness of her sister, Mrs. King.

Mrs. M. L. Hamilton entertained Sunday in honor of Mr. Hamilton's 81st birthday anniversary at their home here. A large number of relatives and friends were present to enjoy the occasion with Mr. and Mrs. Hamilton.

Mrs. Mack Compton of Greenville visited her brother, Roy Patterson, last week.

Mrs. E. H. Mackey is visiting friends and relatives in Greenville several days this week.

Bode Burress of Canton is visiting his daughter, Mrs. G. Merrill this week.

The W. M. S. of Little River Baptist church will hold its regular meeting this afternoon (Thursday) at the home of Mrs. M. M. McCall. All members are urged to be present. Mr. and Mrs. Harley Merrill had as their guests Sunday, Mr. George Kitchen of Greenville and Mr. Allen West and children of Spartanburg.

Those who hoard wealth are not wise than those who try to do so.

**Why Hospitals Use a Liquid Laxative**

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

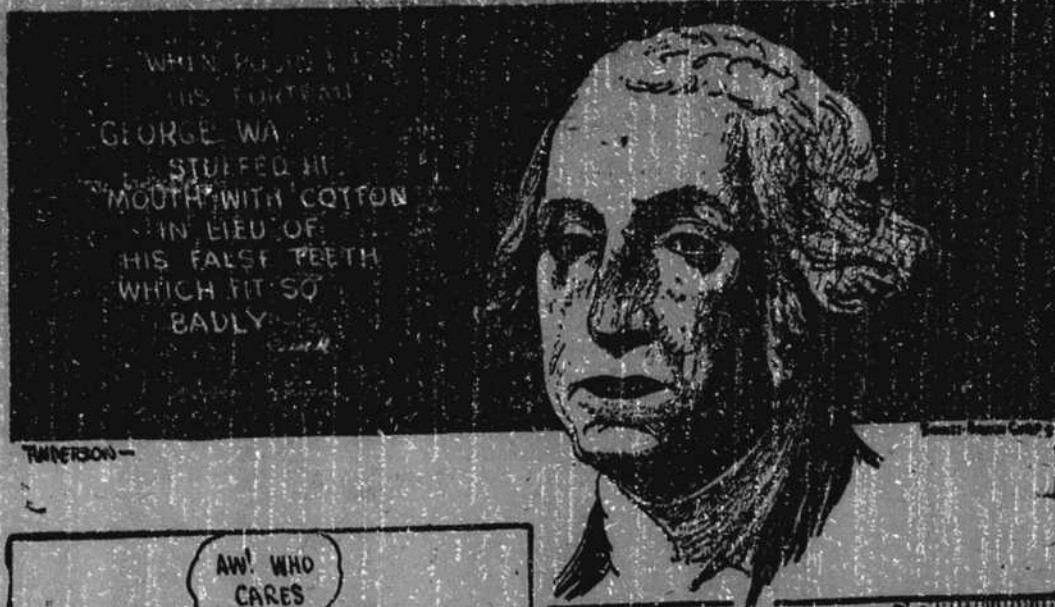

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It fights no habit; you need not take a "double dose" a day or two later. *Not will a mild liquid laxative irritate the kidneys.*

The right dose of a liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may often do more harm than good.

A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels back to regularity. Dr. Caldwell's Syrup Pepsin is an approved

**LIFE OF CANDIDATE NOT BED OF ROSES**

With people's mind turning toward things political, the following article was brought in by C. M. Simard, which tells a "true story" of how one man spent his time canvassing:

"LOST FOUR MONTHS and 20 days canvassing, lost 1,360 hours of sleep thinking about the election, lost 40 acres of corn and a whole lot of sweet potatoes, lost two front teeth and a whole lot of hair in personal encounter with an opponent; donated one beef, four shoats and five sheep to barbecues; gave away two pairs of suspenders, five calico dresses, five dolls and 13 baby rattles kissed 126 babies, kindled 14 kitchen fires; put up eight stoves; cut 14 cord of wood; gathered 24 buckets of water; gathered 7 wagon loads of corn; pulled 470 bundles of fodder; walked 4,060

**U. D. C. MEETING WILL FEATURE SIDNEY LANIER**

Regular meeting of the U. D. C. will be held at the library Saturday afternoon at 3:30 o'clock, according to announcement of the president, Mrs. O. L. Erwin.

An interesting feature of the meeting will be a Sidney Lanier program and Southern songs. All members are urged to be present.

**Mrs. W. W. Martin**

Many people of the county will be learn with regret of the death of Mrs. W. W. Martin of Greensboro. Mrs. Martin was active in organizing the several P.T.A. groups here last fall and made a number of friends in the county.

**VISITS IN SPARTANBURG**

Mrs. Guthrie Kilpatrick and son, Billy were week-end guests in Spartanburg.

**ENLISTMENT MADE EASIER**

The acceptance of high school graduates for general service will continue at the Marine office, Post Office building, Savannah, Ga., during the month of February. A limited number of boys between the ages of 17 and 18 who have completed the eighth grade will also be accepted to learn the drum and trumpet.

A Marine has plenty of time for reading, recreation, sports and self-improvement. He has an equal chance to build up his body with athletics, or to improve his mind with study. His chief pride is in his efficiency as a military man.

Applications will be mailed from the Savannah office upon request to young men of this section who desire service with the U. S. Marines.

**NEW PAMPHLET OUT FROM STATE COLLEGE**

Detailed outline of a program for agricultural recovery in keeping with Governor Ehringhaus' "plan and prosper" campaign has just been prepared by Charles A. Sheffield, assistant extension service director at N. C. State College.

Mr. Sheffield has made a study of the crop acreage and livestock needs of North Carolina, and his findings have been set forth in a special circular just issued by the extension service.

There is still a definite need for more wheat, corn, oats, garden truck, meat, and dairy products than is now being produced within the State, he said. North Carolinians cannot be self-sufficient until they supply their own needs with foods produced at home whenever possible.

The AAA program of reducing the production of basic commodities will leave 600,000 North Carolina acres free for the production of food and feed crops for home consumption. Mr. Sheffield said, and now is the logical time for farmers to begin the production of these food and feed crops.

Another important matter, he said, is that of increasing the State's livestock population and of giving more thought to the efficiency of farmers, so that their incomes won't all be tied up in defraying the cost of farm operation.

A farmer barely breaking even, or losing money, will in most cases make a profit from the same amount of commodities if he eliminates all waste by careful planning to meet his new situation.

The pamphlet may be obtained by citizens of North Carolina upon application to the agricultural editor at State College in Raleigh.
