In Memory Of MRS. LEO RAINES

The Death Angel visited our commentity as the sun was sinking behind the western mountains Tues-day, March 6, 1934 and took from our midst a loved one, Mrs. Leo Raines a native of Transylvania. She had always lived in the Con-neatee section and was an active nestee section and was an active member of the Dunn's Rock Baptist church until failing health caused her to have to give up her church work during the last few years of her life. She was seriously ill for eleven days before death claimed her; but she remained cheerful and

faithful to the end. Mrs. Raines was before her mar-Mrs. Raines was before her mar-riage Miss Polly Hogsed, daughter of Mr. and Mrs. W. H. Hogsed. She was twenty-eight years of age. Joe Woodring visited at the home of Mrs. Elmer Golden on Thursday.

# **KNEE ACTION SAVES** LIFE OF H. B. MOORE

Detroit, Mich., March 28-Chevrolet's "knee-action" with its consequent contribution to positive steering control is credited with saving the life of H. B. Moore, Indianapolis manufacturer.

In a letter to Chevrolet Motor Company, Mr. Moore, who is presi-dent of the H. B. Mocre Company in the Indiana capital, makes this statement:

"I wish to say that 'knee-action' saved my life.

"On March 6th on State Road No. 40 near Brownstown, Ill., I was go-ing 70 miles per hour in my new 1934 Chevrolet coupe, when sudden-ly a truck pulled out on the highway, completely blocking it. To keep from hitting the truck head-on. I had to take the ditch hitting a ten-inch drain tile, breaking a left rear wheel and blowing out a tire, then made a perfect horseshoe turn on a farmhouse lawn and back across the ditch, coming to a stop on the highway right side up, thanks to 'knee-action.'

"A local boy who witnessed the accident, came up to me and said, 'Mister, do you know what saved your life?' I asked him what he meant, and he frankly replied 'kneeaction.' I readily agreed after he explained why.

It is not a cheap remedy, but contains na-
