INTEREST RATE CUT BY LOAN INSTITUTION

T. L. Gwyn, secretary-treasurer of the Asheville Production Credit Association has just received word from Governor W. I. Myers of the Farm Credit Administration in Washington, D. C., that the interest rate on new loans from production credit associations has been reduced from 5 1-2 to 5 per cent.

According to Mr. Gwyn the new 5 per cent interest rate becomes effective immediately on all new loans and advances made by the association and will be applicable until further notice.
"The new interest rate of 5 per cent will not affect loans already advanced in full," Mr. Gwyn said. "These will continue to bear the rate of interest prevailing at the time the loan was closed. The interest charges on loans from the association are collected when the loans mature. The Asheville Production Credit association is now making loans on acceptable crop and chattel security to farmers in Buncombe, Haywood, Transylvania, Madison and Henderson counties.

"The reduction of the interest to 5 per cent on new loans," Mr. Gwyn continued, "is made possible by a recent sale of federal intermediate credit bank debentures to investors at an unusually low rate of interest. The association gets money to lend farmers from the federal intermediate credit bank of Columbia, S. C.

"The lowering of the interest rate on new loans to 5 per cent is the second reduction in two months, the rate having been reduced from 6 to 5 1-2 per cent on March 16.

"According to Governor Myers," said Mr. Gwyn, "the federal intermediate credit bank is passing on immediately to farmer-borrowers from production credit associations the saving made possible by lower cost of getting money. The confidence of investors in the security of the intermediate credit banks has been such that the banks are able to get money to lend at the lowest discount rate in their history. Governor Myers says that the resulting low rate of interest on production credit association loans is enabling farmer-borrowers to save thousands of dollars on the cost of their farming this year. If the associations make sound loans, and loans that are collectible, an adequate supply of low cost money will continue to be available."

"DISTRICT SCHOOL" IS ENJOYABLE PROGRAM

"The District School," presented at the elementary school auditorium Friday evening for benefit of the U. D. C. library, proved an evening's entertainment of fun and laughter. Miss Sattie Parker acted the part of teacher, managing wonderfully well to survive the occasion with her unruly pupils, the most exasperating of whom was the class dunc, Ernest McFaul. His performance was said by many to be equal to that of a veteran in the field of comic acting. The other "pupils" in the school included children, young people and a few mothers, all acting well the part of school children of long ago. Miss Parker's music class took part in the performance, rendering during the evening various selections of enjoyment. Grandfather's photograph album was an added feature of interest on the evening's entertainment.

BANGHART GIVEN 36 YEARS IN U.S. PRISON

Spent Several Months in Transylvania County—Member of Nationwide Gang

Basil (The Owl) Banghart and Ludwig (Dutch) Schmidt were convicted in Federal Court in Asheville last Thursday on all twelve counts of indictment charging them with participation in the \$105,000 mail robbery in Charlotte last November. Schmidt received 32 years while Banghart drew a sentence of 36 years.

Banghart, already serving a sentence of 99 years for participation in the kidnaping of John Factor of Chicago, did not need to be tried to get sentence enough to last him for life but this sentence was to make sure that he could not be paroled or pardoned.

The trial lasted only about seven hours, one of the shortest trials of its kind in history.

During the trial Banghart was identified by Sheriff John R. Craig of Pickens as one of the two bandits who robbed the pickens bank of \$25,000 in 1931.

Banghart was reared in the mountain section north of Pickens, being a hard working, honest mountain boy, but grew tired of this life and went to Chicago and there cast his lot with gangsters.

While serving a sentence in Atlanta along with Robert McGill of Greenville, who was identified as one of the participants in the Pickens robbery and "Bunk" Hendrix also of near Greenville it was thought that the bank robbery was plotted. After Banghart had completed his sentence in Atlanta he came to live at the home of Hendrix in Upper East Fork, close to the North-South Carolina line. While there he imported several automobiles and trucks. The automobiles were used in the bank robbery and making his escape, but the use of the trucks was not known, but it was thought that they had planned to transport liquor on a large scale.

After the robbery officers traced the robbers to the home of Hendrix, but were only a few minutes too late. Hendrix told the officers that the men had been there and had just left. Officers then had no more clues to follow and no more was heard of them until the arrest of Banghart in Baltimore last February and was identified as the Pickens robber. Banghart probably will be tried for the robbery if he but lives the sentence of 135 years.

STARTENA DOES THE JOB!

ACTUAL RECORDS last year on 925,427 chicks fed STARTENA, show that 93 per cent of them lived. At six weeks of age, the light breeds averaged 17.4 ounces per chick; the heavy breeds 19.2 ounce per chick. No wonder there's a big swing to PURINA STARTENA this year. Feed it and get the kind of chicks you want at six weeks. It only takes two pounds per chick to do the job.
