## SEVENTY BOY SCOUTS AT Prison Camp Construction Being Held Up On Account of "Dam" Propaganda

Work Stopped At Calvert Suggests That Effort Be Made Pending Definite Informa- To Have Government Contion From Headquarters of Tennessee Valley Authority-Decision Is Expected Within Next Few Days.

Work on the State Prison camp Editor of Transylvania Times: porarily, according to Llovd W. Cutting supervisor, pending definite information in regard to the proposed Tennessee Valley Authority dam on the French Broad river.

It is apparent that the federal government through the Tennessee Valley Authority, is going to take immediate action on the construction of a dam or dams on the French Broad river and its tributaries.

Mr. Cutting said Wednesday that he expects to receive definite word within the next few days in regard to continuing or stopping the work which was started ten days ago, plans calling for a permanent camp to house 100 to 100.

While no direct statement has been secured from the State Highway of-The play will be given again with- work is looked on as being signifi-

## GEODETIC SURVEY SETS TONSIL CLINIC WILL

Brevard's elevation, according to the U.S. Geodetic survey, which was made here last week, is 2229.11. These figures are posted on a brass plate just to the right of the court house door.

The survey was made by a crew of workmen under F M. Poole, who had headquarters in Brevard while working in this vicinity When leaving, last Thursday morning, Mr. Poole stopped by The Times office and stated that he was very favorably impressed with the section, and especially with the folk he had met while here, and that several people had gone out of their way to be nice to him.

BOYLSTON HIGHWAY

WILL BE RE-LOCATED

The survey was made by a crew Unable To Pay

Unable To Pay

A tonsil clinic for children between the ages of 6 and 15 years will be held at Lyday Memorial hospital for one week beginning Monday, June 25, closing the following Saturday, June 30, sponsored by the board of trustees of the hospital.

The operations will be performed by the hospital staff. It is pointed out that the clinic is only for children of those parents who are not able to pay the full regular price of tonsil operations. The clinic price for each tonsil operation has been set at \$12.50, which is less than half of the regular price, it is stated by the staff.

Map Filed At Court House-Many Bad Curves Will

said here Tuesday. However, it is bepractically destroy the tourist busi- lieved that the contract will be let on June 28th.

Beginning at the top of Gallamore Hill in North Brevard, only slight changes are made in the proposed route map until the Memorial Arch curve is reached. There the deep curve is straightened considerably, the same applying to the sharp curve near the Boggs home at Turkey Creek.

At Little Mountain the proposed route leaves the present roadbed, going up the right hand side of the grounds, making this popular to the grounds the grounds that the grounds the grounds the grounds that the grounds that the grounds that the grounds the grounds the grounds that the grounds the grounds that the grounds the grounds the grounds that the grounds the grounds the grounds that the grounds the g

ereek, making a much better grade and eliminating practically all of the sharp curves. If the outline as posted at the court house is followed, the Boylston road will be one of the straightest highways in this section.
